Chapter 1: Understanding African Christian Leadership

Christianity is an Abrahamic monotheistic religion based on the life and teachings of Jesus of Nazareth. It is the world’s largest religion, with about 2.4 billion followers as of 2020. US evangelical Christians accused of promoting homophobia. Christian evangelical groups in the US are attempting to "cultural colonisation" of Africa, opening offices in numerous countries to promote attacks on homosexuality and abortion, according to an... (The study by Masango on leadership in the African context reveals that, "leadership is a group phenomenon," meaning that, there "are no leaders without followers" [14], [708]....)

Chapter 2: Challenges in African Leadership

The impact of African traditional religious beliefs and cultural values on Christian-Muslim relations in Ghana from 1920 to 2011... (In the area of morality, Christianity and African culture believed in hereafter whose condition is determined by the quality of one's present life. This is because morality flows naturally from a religious viewpoint.)

Chapter 3: Leadership in the African Context

Leaders must be prepared to learn about and understand the cultures represented in the team. They also have a responsibility to challenge their team members to observe their cultural characteristics. In some cases, it may be necessary to observe them in order to learn the language of the cultures represented in the team. This will not only enable the individual to communicate more effectively but also prepare them for leadership in diverse situations.

Chapter 4: Christian Leadership and African Culture

Christianity and the African indigenous church... (The Christian message of salvation would ride on this trade networks to infiltrate African cultural framework. Christians also began to develop systems to separate Church and State in order to prevent them from being perceived as church state.)
