Students of English as a second language who plan to do business in North America can become confused by jargon and formalisms that sometimes invade business correspondence. Author Andrea Geffner's advice to them is to relax and stop worrying about sounding "business-like" or "official." Correct but relaxed English is always preferable.

~~ESL Guide to American Business English: Geffner, Andrea B ...~~

The author emphasizes that effective business English begins with mastering grammar and sentence structure, and presents a brush-up review of grammar and correct English usage. She also advises on achieving an appropriate business style that conveys the writer's message succinctly without resorting to stilted, overly formal language or meaningless jargon.
