ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in a new 2011 Alternate edition, American Government: Roots and Reform provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. This bestselling book has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued

concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as chapter outlines, Who Governs? and To What Ends? learning objective questions framing each chapter and How Things Work boxes that summarize important facts. The significantly enhanced media package with new online tools makes the learning experience engaging and accessible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

All the tools students need to understand American politics—with 9 chapters on Texas government and politics.

Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

American Government 2e is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them.

American Government does more than any other text to get students to think analytically about American politics and government. The successful Five Principles of Politics framework integrated throughout the full and core versions helps students make sense of the material they encounter in the course, and the political information they encounter in their daily lives. In this 2008 Election Update Edition, sections have been thoroughly updated to reflect recent developments in American politics and a new election chapter provides an analysis of the pivotal 2008 electoral races.
