As part of his passion to bring glory to God, Ernie Klassen is particularly interested in the revival of God's people and the awakening of the lost. He believes strongly that God-honoring, Christ-exalting, and Spirit-empowered preaching plays a critical role in revival and awakening. No one models this dynamic better than Jonathan Edwards. He was a pastor who was a protagonist of the First Great Awakening. He thought deeply and critically about religious movements, and his reflections and sermons provide valuable "fodder" for reflection. Revival Preaching extracts the most important lessons of Edwards's writings and sermons for preaching in today's world.

The church has been sleeping in sin for too long. The church has to realize that this is not God's plans for them. God wants us to be vigilant and sober to the scheme of the enemy. The church needs to be set free from the sleep in sin enchantment forest that the enemy has them trapped in once and for all. God wants to pour out his Spirit on all flesh in order to set the captive free. The church attains resurrection power residing inside of them, and they don't even know it.

Recognizing the need for an evangelically oriented book to guide believers dealing with the issue of Christianity's relation to society, educator Robert Webber has developed a unique approach to this subject that gives clear solutions to the Christ-culture problem from both a biblical and historical point of view. The biblical material in "The Secular Saint" presents the social, moral, and cultural concerns of the Judeo-Christian heritage. The historical material then shows how the church in history has either separated from its culture, identified with it, or attempted to transform it. On the basis of these three historical models, Webber argues that there is more than one way for the Christian to live in a responsible relationship with the world. This is a book of principles, not a how-to guidebook. As the author states, My purpose is not to deal with contemporary problems themselves but to give the reader the biblical and historical tools needed to understand and deal with modern issues.

This book provides the only personal portrait of Schweitzer, here as a young man on a quest to better the lot of humankind, and of the woman who helped to shape that pursuit. Schweitzer was twenty-six and Helene Breslau twenty-two when they met. He was preparing for an academic life in theology and philosophy, while his skill as a musician supplemented his intellectual work. Helene stepped beyond the conventions of the day by entering the nursing field, by founding a welfare program for single mothers, and fearlessly stating her own opinions. While Schweitzer searched for his path, Breslau provided the sounding board for many of his ideas.
