### Beat the Pensions Crisis [Book]

Pensions in Crisis. It's been obvious for years that there's a major problem with British pensions. There have been the pension scandals - like the personal pensions mis-selling scandal of the eighties and nineties and the plundering of the Mirror Group pension fund by Robert Maxwell.. However pensions have been featured heavily in the news recently for a number of reasons.

### Beat the Pensions Crisis: What You Need to do now to ...

The pensions crisis or pensions timebomb is the predicted difficulty in paying for corporate or government employment retirement pensions in various countries, due to a difference between pension obligations and the resources set aside to fund them. The basic difficulty of the pension problem is that institutions must be sustained over far longer than the political planning horizon. Shifting demographics are causing a lower ratio of workers per retiree; contributing factors include retirees livi
