this story describing the corrosive operation of doubt on the human soul. 'Big Machine' is also a story that is a religious allegory. Wait, don't run away! At least just listen a minute. It also has a lot of what could be labeled magical realism. Hang on, wait, stay, please! Fine.

Big Machine by Victor LaValle - Goodreads

Big Machine (ビッグマシン, Biggu Mashin) is a character who only appears in Ishinomori's original Kamen Rider manga. Big Machine is Shocker's highest commander and main antagonist in the manga. He also seems to be the one called "Great Leader" by some of the lower ranking Shocker members. He has a fully mechanized body and is behind Shocker's "October Project", which involves using a super ...

While Big Machine contains encounters with the sorts of angels and demons that skeptical readers might think belong more in a Dan Brown thriller than a literary novel, these supernatural elements expertly rub shoulders with realistic depictions of childhood fears, drug addiction, and the ramifications of religious faith. Indeed, the extraordinary and the ordinary intertwine so successfully ...
