College Board has released a new group of laboratory investigations, and so this section has been heavily revised to reflect these changes. • The new CF asks students to be able to apply mathematics to a variety of topics.

AP* Test Prep Series AP BIOLOGY - Pearson Education

Cant upvote this enough. I taught my university's entry level biology course with the latest edition of this (released fall 2017), and have the original 3rd edition in my collection. It will provide all the fundamentals you need, and has done so for decades. Its a lot of material but you can choose how much of it you want to know.
