BlackBerry Pearl 3G For Dummies!

The Blackberry Passport was released on September 2014. It is uniquely designed and may not be for everyone. It does however feature a long lasting battery and a lot of storage space which has earned it a number of high reviews. The downfalls are the limited apps available and the difficulty faced when trying to operate the device one handed. The customisations are not much when compared to its competitors, but the Passport allows you make significant changes to suit each user and enhance their
