Spiced with wit and strong opinions, *Choreography and the Specific Image* explores, in nineteen far-ranging essays, the art of choreography through the life's work of an important artist. A career of performance, creativity, and teaching spanning five decades, Nagrin reveals the philosophy and strategy of his work with Helen Tamiris, a founder of modern American dance, and of Workgroup, his ...

Viewing the added factors of music, costume, lighting and content through the prism of these three elements supports a formal approach to choreography. The title of this book, *Choreography and the Specific Image*, points to a different perspective, one that is generally slighted. It seizes upon one of the factors that enters into the making...

Choreography And The Specific Image. Book Description: "The world outside has burst into the studio," writes the influential dancer, teacher, and choreographer Daniel Nagrin. Many dancers want passionately to confront concrete, difficult subjects. But their formalistic training hasn't prepared them for what they need to say. This book, the first on choreography approached through content ...
