Online Library Economic And Commercial

economic geography has proved the importance in various periods of its growth. Therefore, it is necessary to discuss the nature and scope of economic geography both from traditional to modern point of view. As early as in 1882, the German scholar, Gotz had defined economic geography as “ a scientific investigation of

[English Medium]

Commercial geography can be considered as a component of economic geography in a similar fashion to transport geography. Still,

Online Library Economic And Commercial

it is relevant to see commercial geography as distinct, which allows the sphere of locations investigated by economic geography to interact with the sphere of circulation investigated by transport geography.
