"Explores the greatest inventions and inventors through the ages"--Back cover.

Consumer Product Innovation and Sustainable Design follows the innovation and evolution of consumer products from vacuum cleaners to mobile phones from their original inventions to the present day. It discusses how environmental concerns and legislation have influenced their design and the profound effects these products have had on society and culture. This book also uses the lessons from the successes and failures of examples of these consumer products to draw out practical guidelines for designers, engineers, marketers and managers on how to become more effective at product development, innovation and designing for environmental sustainability.

Omar's kakek (grandfather) complains the boy has forgotten the old ways, the old magic of spinning tops and shadow puppets; but Omar makes his kakek a mysterious present, and together they dance a great traditional kite across the sky. A multicultural story in picture book format, ages 6 - 10.

CD-ROM contains full text for all the procedures available in the manual. Files are provided both as fully formatted Word 6.0 (.doc) documents and as text-only documents (.txt).
