This book provides a Biblical and theological underpinning to the concept of ethnic liberation in Nigeria. It argues that the present economic, political, ethnic and religious structure of Nigeria represents injustice and oppression to those in the so-called “ minority groups ” . The situation has resulted in division, unrest and mutual suspicion among people of different ethnicities and religions. Bringing together liberation theology, biblical hermeneutical and social studies to foster dialogue between theories and human relations in Nigeria, the book presents an exegesis of Galatians 3:26-29, weaving out a theology of ethnic liberation. As such, it will be useful to theologians, students of religious studies and philosophy, and political historians, as well as the general reader interested in African studies.

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell

Preaching pastors, ministers, and priests know how quickly Sundays come and go. The Lectionary Commentary will not slow the pace of the weekly calendar, but it will help assure that sermon preparation begins with a solid engagement with Scripture. Designed to "jump start" the difficult task of sermon preparation, this indispensable three-volume work gathers exegetical essays on biblical texts from the Revised Common Lectionary. Covering every Sunday of the three-year liturgical cycle, as well as Christmas Day, Epiphany, and Ascension Day, the readings are arranged in canonical order so as to be of use to all preachers. Seventy-eight pastors, priests, and teachers from a variety of Christian traditions have contributed their insights to The Lectionary Commentary. Designed to answer the question What does the preacher need to know about this text in order to preach a faithful sermon from it?, each of their essays closely considers its specific biblical text, all the while remaining alert to the contemporary context in which the sermon will be spoken and heard. The result is an invaluable resource that will aid in the difficult task of facilitating a meaningful encounter between Holy Scripture and our modern world. This volume, The Second Readings: Acts and the Epistles, provides exegetical commentary on the lectionary readings for the final selections from Act and for all of the New Testament Epistles, from Romans to Revelation. Also unique to this volume is an excellent essay by Colin E. Gunton on preaching from the Letters. Consulting Editors: Richard A. Burridge Thomas W. Gillespie Colin E. Gunton Robert W. Jenson James F. Kay Hughes Oliphant Old Fleming Rutledge Marguerite Shuster

letters provide a compelling portrait of a complex original thinker who probably was the most significant missionary of his day, a theologian and social critic of rare power and insight whose legacy continues today to spark heated debate. Yet if we can catch even a little of Paul's vision, we are likely to be transformed. We may find ourselves called, like Paul himself, to a fresh vision of what God is doing in the world and to participation in the crucified body of Christ. Interpretation Bible Studies (IBS) offers solid biblical content in a creative study format. Forged in the tradition of the celebrated Interpretation commentary series, IBS makes the same depth of biblical insight available in a dynamic, flexible, and user-friendly resource. Designed for adults and older youth, IBS can be used in small groups, in church school classes, in large group presentations, or in personal study.

Focusing on Paul's own statement about the Galatian crisis, Yon Kwon demonstrates that the letter is Paul's pastoral engagement with the backsliding Galatians rather than his theological altercation with his opponents, Paul deals with the crisis in Galatia by reminding the Galatians of the implications of their present deviation for their future - the 'not yet-', instead of affirming the blessings already realized in Christ - the 'already'.

This work offers a fresh reading of Paul 's appropriation of Abraham in Gal 3:6 – 29 against the background of Jewish data, especially drawn from the writings of Philo of Alexandria. Philo 's negotiation on Abraham as the model proselyte and the founder of the Jewish nation based on his trust in God's promise relative to the Law of Moses provides a Jewish context for a corresponding debate reflected in Galatians, and suggests that there were Jewish antecedents that came close to Paul 's reasoning in his own time. This volume incorporates a number of new arguments in the context of scholarly discussion of both Galatian 3 and some of the Philonic texts, and demonstrates how the works of Philo can be

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Galatians is part of The Christian Standard Commentary (CSC) series. This commentary series focuses on the theological and exegetical concerns of each biblical book, while paying careful attention to balancing rigorous scholarship with practical application. This series helps the reader understand each biblical book's theology, its place in the broader narrative of Scripture, and its importance for the church today. Drawing on the wisdom and skills of dozens of evangelical authors, the CSC is a tool for enhancing and supporting the life of the church.

Homiletics is taking a theological turn. But what does the preaching task look like if we think of it not so much as a mastery of technique, but an exercise in theological method? *Homiletical Theology in Action: The Unfinished Theological Task of Preaching* tries to envision the work of homiletics as theological in root and branch. By placing theological questions at the center of the process, the authors, some of the leading lights of the field of homiletics, try to show how their work as preachers and homileticians is a thoroughgoing theological activity. By beginning with troublesome texts and problematic doctrines, they seek to show how preachers and homileticians engage in theology, not as consumers, but as producers--and in the thick of the kinds of questions that preachers have to ask. Practitioners and theological educators alike will catch a glimpse of how they too are residential theologians in their own preaching praxis.
