Students are entered for either foundation tier (paper 01, paper 02 and paper 03) or higher tier (paper 04, paper 05 and paper 06). Key features of the OCR GCSE maths specification. There are 100 marks per paper, giving OCR a large scope for awarding method marks within questions which is why it is always so important for students to show working out, especially in longer mark questions.

This book supports students preparing for the Edexcel International GCSE exam. It comprises of 4 full practice papers. Each practice paper contains 25 questions and detailed solutions. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of IGCSE mathematics with an appropriate difficulty. Solutions are easy and comprehensible by people of all skill levels. They offer students ways of dealing with common problems but also more complex questions that students may struggle with under examination pressure. The solutions have been reviewed by many students of varying skill, to ensure that they are easily understandable while being the fastest and most re-applicable.

This pack contains six realistic exam-style practice papers for Higher level GCSE Maths. It also includes a formula sheet and detailed answer book so that students can mark their own work.

This book supports students preparing for the Edexcel GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically forget under the pressure of an exam. Solutions provided have been reviewed by many students to ensure that they are easily understandable while being the fastest and most re-applicable.
