If you can prove someone has copied your work, however simple the design, you've got a good case to claim for copyright infringement (so long as your design is not a generic shape or common image, like a diamond or a flag design). In Bassen's case, so many designs were taken both from her and other designers long after they'd been released online, it was extremely unlikely that the works ...

What Every Designer Needs to Know About Copyright Law ...

When someone steals credit for another's work they are stealing more than just a picture or an idea. They are stealing the time, the labor, and every event that led to the real artist being inspired to create that work. If another person's work inspired you to create something original, acknowledge them for it by obtaining their consent.

10 Copyright Laws Every Graphic Designer Should Be Aware Of

We design at $100/hour, develop at $125 and consult at $65/hour. Queens based designer Sophia Chang structures her rates the same way, but also takes into account the type of client – "I have different pricing for graphic design, web design, illustration, consulting, project management, etc. It all varies on the client.

How to Charge for Your Graphic Design Work

On the other side of the pond, in London, a similar movement was beginning to take shape. In 1975, inspired by the fashion, sounds, and punk attitude he experienced at CBGB shortly after it opened, Malcolm McLaren, an eccentric art school dropout with a penchant for business, headed back to his native England to put a punk rock band together.

5 ways to incorporate Bauhaus graphic design in your work ...

In October 2010, US activist David Jacobs – founder of the early 1970s Situationist group Point-Blank! – challenged claims that Reid created the "Nowhere Buses" graphic which appeared on the sleeve to the Sex Pistols' 1977 single Pretty Vacant and has subsequently been used many times for limited edition prints. Jacobs said that he originated the design, which first appeared in a pamphlet as part of a protest about mass transit in San Francisco in 1973.

Jamie Reid - Wikipedia

They must be the artist or designer's original work: graphics must originate with the artist and they must display some minimal amount of creativity. A graphic must be fixed in a physical object, such as paper, a sign, an article of clothing or a digital medium. You can't copyright an idea for a graphic.
