Until he released *The Wizard Sniffer*, his other 2016 game might've been my favorite. CROSS THE VOID OF TIME AND SPACE! SEEK AND FIND YOUR PROPER PLACE! Matt didn't know the scrap of parchment was a trap. So he read the runes - and found himself on a world where reciting poetry verses worked magic. His first effort got him locked in a dungeon by the evil sorcerer Malingo. Trying for light, he brought forth a fire-breathing, drunken dragon, who told him Princess Alisande, rightful ruler of Merovence, was also held in the dungeon. Naturally, he had to free her, himself, and the dragon, using poetry lifted from Shakespeare. And because she was young and beautiful, he swore to serve as her wizard. Then he learned that his job as wizard was to fix it so the three of them could overcome all the dark magic and armies of Malingo! The addition to the party of a lust-witch and a priest who became a werewolf now and then didn't seem much help. Matt figured he had got himself into quite a predicament. For once, he was right! Matt Mandrell, unsuspecting graduate student, never imagined his research would lead him to a strange scrap of parchment that would change his life forever. . . . Crossing the void of time and space, Matt is whisked away to an enchanted world where speaking in rhymes works the most dazzling magic. There he wins not only fame and power as the Lord High Wizard, but the heart of the beautiful Queen Alisande. His dreams are shattered, though, when he learns that he can ' t marry his true love; wizard or not, Matt is just a commoner in this bizarre land. So Matt makes a foolish vow: to conquer a kingdom, any kingdom, if that ' s what it takes to claim his bride. But, as Matt discovers, in this world of enchantment, such an oath cannot be broken. He has truly committed himself to win a crown or die trying. In search of lands to conquer, Matt sets his sights on neighboring Ibile, where the evil Gordogrosso rules with an iron fist and sinister magic. Matt marches off against the tyrant, gathering a small band of unlikely allies, including a surly dracogriff, a well-spoken cyclop, and a damsel in distress. But against Gordogrosso ' s foul genius, Matt is going to need much more than a few stout-hearted companions and some clever rhymes. . . . *Oathbound Wizard* is the newest addition to the *Del Rey Imagine* program, which offers the best in fantasy and science fiction for readers twelve and up. For all the fans of the classic *Her Majesty's Wizard*, here at last is the eagerly awaited sequel--an action-packed, laugh-laden new medieval fantasy. Matt Mantrell's talent for poetry had won him fame, power, and the heart of a beautiful queen. But to win her hand, he would have to conquer a kingdom.

In sunny Latruria, the wicked old king was dead, and the new king spurned the rule of Evil. But turmoil began to spread, even across the border, when the new king also resisted Good! In nearby Merovence, Lord Wizard Matt Mantrell donned a disguise and set off to investigate--never dreaming that Latruria's sinister prime minister was mobilizing his minions... "Minstrel" Matt sang his way south, dodging deadly enemies and music critics alike. He was teamed with a lovesick lad, menaced by a manticore, haunted by a ghost from Greece, and swept along in a flood of youngsters fleeing the provinces for the "glamor" of the city. But when they all washed up in the capital, harsh reality awaited them, not gold-paved streets. And even harsher reality awaited Matt. The Lord Wizard faced the ultimate test of magic--and he would need a lot of help to pass!

Together in one volume, the WIZARD OF THE GROVE duology contains Tanya Huff's first two novels, CHILD OF THE GROVE and THE LAST WIZARD. CHILD OF THE GROVE In a far-ago age, wizards ruled the world with a power so dark even the Elder races feared them. But when their power caused them to unleash dragons from the depths of the earth itself, they were undone by their own hand, thus freeing the world. Or so it was thought. For now, after many years of hard-won peace, the human kingdom of Ardhan is under threat from the dread king of Melac. Yet the real danger is the king's counselor, Kraydak—a wizard who survived the slaughter of his kind and has waited until now to rise to power once again. But the world will not be as easy to vanquish this time. For the royal family of Ardhan is no longer merely made of men. They have blended their destiny with the immortals who dwell in the Sacred Grove—a place untouched by darkness or death. And it will fall to the youngest of that enchanted bloodline to stand against the coming. Her name is Crystal. And she is the one thing in the world Kraydak fears... A wizard. THE LAST WIZARD Crystal was born of a bloodline both mortal and magical, raised to one day become a wizard and to defeat a long-hidden evil that threatened the realm of Ardhan. Through many dangerous adventures and lethal deceptions, she was finally victorious. And peace was at hand. Yet it was not so for Crystal. As the last living wizard, she soon found herself living a life

A hidden cache of magical forces that only she can control or destroy. But the prize she seeks just might do the same to her...
