I grew up on Danielle Steel novels. She's an amazing writer when she wants to be. H.R.H. is not a good example of her talent. It reads like a junior high school newspaper; the facts are told to the reader, cut and dry. It is also very elementary in form as it's extraordinarily repetitive.

This is my second Danielle Steel after reading 'Jewels' which was totally engrossing. In comparison to that (any any other book for that matter) this one is terrible! It is SO repetitive that I had to stop reading it word for word after about 15 minutes and skim read the rest of the book in another 15.

In a novel where ancient traditions conflict with reality and the pressures of modern life, a young European princess proves that simplicity, courage, and dignity win the day and forever alter her world. In blue jeans and a pullover, Princess Christianna is a young woman of her times: born in Europe, educated in America, worried about the future of the world she lives in, responsible beyond her years. Christianna is the only daughter of the Reigning Prince of a European nation that takes its royalty seriously – and her father has ironclad plans for Christianna ’ s life, a burden that is almost unbearable. Now, after four years at Berkeley, life in her father ’ s palace cannot distract Christianna from what she sees outside the kingdom—the suffering of children, the ravages of terrorism and disease. Determined to make a difference in the world, she persuades His Royal Highness, her father, to let her volunteer for the Red Cross in East Africa. And for Christianna, a journey of discovery, change, and awakening begins. Under a searing East African sun, Christianna plunges into the dusty, bustling life of an international relief camp, finding a passion and a calling among the brave doctors and volunteers. Finally free from the scrutiny of her royal life, Christianna struggles to keep her identity a secret from her new friends and coworkers – even from Parker Williams, the young doctor from Doctors Without Borders who works alongside Christianna and shares her dedication to healing. But as violence approaches and invades the camp, and the pressures of her royal life beckon her home, Christianna ’ s struggle for freedom takes an extraordinary turn. By a simple twist of fate, in one shocking moment, Christianna ’ s life is changed forever – in ways she never could have foreseen. From the splendor of a prince ’ s palace to the chaos of war-torn nations, Danielle Steel takes us into fascinating new worlds. Filled with unforgettable images and a remarkable cast of characters, H.R.H. is a novel of the conflict between old and new worlds, responsibility versus freedom, and duty versus love.

The restoration of a majestic old home provides the exhilarating backdrop for Danielle Steel ’ s 66th bestselling novel, the story of a young woman ’ s dream, an old man ’ s gift, and the surprises that await us behind every closed door.... Perched on a hill overlooking San Francisco, the house was magnificent, built in 1923 by a wealthy man for the woman he adored. For her and for this house, he would spare no expense and overlook no detail, from the endless marble floors to the glittering chandeliers. Almost a century later, with the once-grand house now in disrepair, a young woman walks through its empty rooms. Sarah Anderson, a perfectly sensible estate lawyer, is about to do something utterly out of character. An elderly client has died and left her two gifts. One is a generous inheritance. The other, a priceless message: to use his money for something wonderful, something daring. And in this old house, surrounded by crumbling grandeur, Sarah knows just what it is. A respected attorney and self-described workaholic, Sarah had always lived life by the book. With a steady, if sputtering, relationship and a tiny apartment that has suited her just fine, Sarah cannot explain the force that draws her to the mansion and its history – to the story of a woman who once lived in the house, then mysteriously left it, to a child who grew up there, and a drama that unfolded in war-torn France...and to a history she never knew she had. Taking the biggest risk of her life, Sarah enlists the help of architect Jeff Parker, who shares Sarah ’ s passion for bringing the exquisite old house back to life. As she and Jeff work to restore the home ’ s every detail, as one relationship shatters and another begins, Sarah makes a series of powerful discoveries: about the true meaning of a dying man ’ s last gift...about the extraordinary legacies that are passed from generation to generation...and about a future she ’ s only just beginning to imagine. In a novel of daring and hope, of embracing life and taking chances, Danielle Steel brilliantly captures one woman ’ s courageous choice to pour herself into a dream – and receive its gifts in return.

Her life and family changed forever by the sinking of the Titanic and betrayed by the scandalous secrets of her husband, Annabelle Worthington flees New York for war-torn France, where, in a field hospital run by women in the midst of World War I, she finds her true calling in medicine, until years later, a fateful encounter brings her face to face with her past. 750,000 first printing.

In this spellbinding blend of suspense and human drama, Danielle Steel tells a powerful and unusual story of one woman ’ s journey from darkness into light, as she fights to escape a mesmerizing sociopath who holds her in his thrall. . . . Top photographer Hope Dunne has known joy and heartbreak, and finds serenity through the lens of her camera. Content in her SoHo loft, she isn ’ t looking for a man or excitement. But these things find her when she flies to London to photograph one of the world ’ s most celebrated writers. Finn O ’ Neill exudes warmth and a boyish charm. Enormously successful, he is a perfect counterpoint to Hope ’ s quiet, steady grace—and he ’ s taken instantly by her. He courts her as no one ever has before, whisking her away to his palatial, isolated Irish estate. Hope finds it all, and him, irresistible. But soon cracks begin to appear in his stories: Gaps in his history, a few innocent lies, and bouts of jealousy unnerve her. Suddenly Hope is both in love and deeply in doubt, and ultimately frightened of the man she loves. Is it possible that this adoring man is hiding something even worse? The spell cast by a brilliant sociopath has her trapped in his web, too confused and dazzled to escape, as he continues to tighten his grip on her.
