From Dr. Martin Luther King, Jr.'s daughter, Dr. Bernice A. King: "My father's dream continues to live on from generation to generation, and this beautiful and powerful illustrated edition of his world-changing "I Have a Dream" speech brings his inspiring message of freedom, equality, and peace to the youngest among us—those who will one day carry his dream forward for everyone." On August 28, 1963, on the steps of the Lincoln Memorial during the March on Washington, Martin Luther King gave one of the most powerful and memorable speeches in our nation's history. His words, paired with Caldecott Honor winner Kadir Nelson's magnificent paintings, make for a picture book certain to be treasured by children and adults alike. The themes of equality and freedom for all are not only relevant today, 50 years later, but also provide young readers with an important introduction to our nation's past.

"Sundquist's careful, thoughtful study unearths new and fascinating evidence of the rhetorical traditions in King's speech."—Drew D. Hansen, author of *The Dream: Martin Luther King, Jr., and the Speech That Inspired a Nation* "I have a dream"—no words are more widely recognized, or more often repeated, than those called out from the steps of the Lincoln Memorial by Martin Luther King, Jr., in 1963. King's speech, elegantly structured and commanding in tone, has become shorthand not only for his own life but for the entire civil rights movement. In this new exploration of the "I Have a Dream" speech, Eric J. Sundquist places it in the history of American debates about racial justice—debates as old as the nation itself—and demonstrates how the speech, an exultant blend of grand poetry and powerful elocution, perfectly expressed the story of African American freedom. This book is the first to set King's speech within the cultural and rhetorical traditions on which the civil rights leader drew in crafting his oratory, as well as its essential historical contexts, from the early days of the republic through present-day Supreme Court rulings. At a time when the meaning of the speech has been obscured by its appropriation for every conceivable cause, Sundquist clarifies the transformative power of King's "Second Emancipation Proclamation" and its continuing relevance for contemporary arguments about equality. "The ['I Have a Dream'] speech and all that surrounds it—background and consequences—are brought magnificently to life . . . In this book he gives us drama and emotion, a powerful sense of history combined with illuminating scholarship."—*The New York Times Book Review* (Editor's Choice)

A collection of the most well-known and treasured writings and speeches of Dr. King, available for the first time as an ebook *The Essential Martin Luther King, Jr.* is the ultimate collection of Dr. King's most inspirational and transformative speeches and sermons, accessibly available for the first time as an ebook. Here, in Dr. King's own words, are writings that reveal an intellectual struggle and growth as fierce and alive as any chronicle of his political life could possibly be. Included amongst the twenty selections are Dr. King's most influential and persuasive works such as "I Have a Dream" and "Letter from Birmingham Jail" but also the essay "Pilgrimage to Nonviolence," and his last sermon "I See the Promised Land," preached the day before he was assassinated. Published in honor of the 50th anniversary of the 1963 March on Washington for Jobs and Freedom, *The Essential Martin Luther King, Jr.* includes twenty selections that celebrate the life's work of our most visionary thinkers. Collectively, they bring us Dr. King in many roles—philosopher, theologian, orator, essayist, and author—and further cement the most powerful and enduring words of a man who touched the conscience of the nation and world.

"I have a dream." When those words were spoken on the steps of the Lincoln Memorial on August 28, 1963, the crowd stood, electrified, as Martin Luther King, Jr. brought the plight of African Americans to the public consciousness and firmly established himself as one of the greatest orators of all time. Behind the Dream is a thrilling, behind-the-scenes account of the weeks leading up to the great event, as told by Clarence Jones, co-writer of the speech and close confidant to King. Jones was there, on the road, collaborating with the great minds of the time, and hammering out the ideas and the speech that would shape the civil rights movement and inspire Americans for years to come.

In this "slim but powerful book," the award-winning journalist shares the dramatic story surrounding MLK's most famous speech and its importance today

(Boston Globe). On August 28, 1963, Dr. Martin Luther King Jr. led the historic March on Washington for Jobs and Freedom, where he delivered the most iconic speech of the civil rights movement. In *The Speech*, Gary Younge explains why King's "I Have a Dream" speech maintains its powerful social relevance by sharing the dramatic story surrounding it. Today, that speech endures as a guiding light in the ongoing struggle for racial equality. Younge roots his work in personal interviews with Clarence Jones, a close friend of Martin Luther King Jr. and his draft speechwriter; with Joan Baez, a singer at the march; and with Angela Davis and other leading civil rights leaders. Younge skillfully captures the spirit of that historic day in Washington and offers a new generation of readers a critical modern analysis of why "I Have a Dream" remains America's favorite speech. "Younge's meditative retrospection on [the speech's] significance reminds us of all the micro-moments of transformation behind the scenes—the thought and preparation, vision and revision—whose currency fed that magnificent lightning bolt in history." —Patricia J. Williams, legal scholar and theorist

Architect of 'Operation Flood', the largest dairy development programme in the world, Dr Verghese Kurien has enabled India to become the largest milk producer in the world. A man with a rare vision, Dr Kurien has devoted a lifetime to realizing his dream - empowering the farmers of India. He has engineered the milk cooperative movement in India. It was a sheer quirk of fate that landed him in Anand where a small group of farmers were forming a cooperative, Kaira District Cooperative Milk Producers' Union Limited (better known as Amul), to sell their milk. Intrigued by the integrity and commitment of their leader, Tribhuvandas Patel, Dr Kurien joined them. Since then there has been no looking back. The 'Anand pattern of cooperatives' were so successful that, at the request of the Government of India, he set up the National Dairy Development Board to replicate it across India. He also established the Gujarat Cooperative Milk Marketing Federation to market its products. In these memoirs, Dr Verghese Kurien, popularly known as the 'father of the white revolution', recounts, with customary candour, the story of his life and how he shaped the dairy industry. Profoundly inspiring, these memoirs help us comprehend the magnitude of his contributions and his multifaceted personality.
