Shows how to wield influence by using biblical principles based on a selfless position to enrich another person's life by following Christ's servant-leader example.

Imagine what our world might look like if Christians became known for remarkable love, as well as life-giving truth. The stakes are high and the need is great for Christians to represent Jesus to a watching world.

And today, we have more influence than ever before--for better and for worse. We are among the first generations to have access to a global megaphone through social media. But it's not enough to speak truth louder to a noisy culture. To counter the reputation Christians have earned, our love must be just as loud. Ask evangelist Matt Brown, and he will tell you Christians today are facing a crisis of influence. In our rush to speak truth to today's tensions, cultural issues, and trending controversies, it becomes all too easy to focus on proving our points

rather than extending God's grace. Conversely, when we seek only to love yet never proclaim a better way, we short-circuit God's plan. Truth Plus Love invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ. Through biblical insight, cultural analysis, and practical principles, Matt Brown outlines how to champion truth without compromise, how to love unconditionally, and ultimately, how to step into this great adventure of representing God to the world. It's hard, it's messy, and it's the unfinished project of a

our great adventure:  
representing God to a  
watching world.

Deriving insights from the  
life of Jesus in the  
Gospels, Klaus Issler  
uncovers the dynamics  
involved in truly becoming  
more Christlike. He shows  
how you can forge much  
deeper connections with  
Jesus. The result is a  
closer alignment between  
what you want to do as a  
follower of Jesus, what you  
actually do and who you are  
becoming in him.

In today's social media-saturated world, the word influence conjures up images of beautifully curated Instagram feeds or women who lead from the stage and have thousands of followers. It's measured by the number of likes and shares and how well we can get people to

imitate us. Influence has almost become synonymous with fame and power, and if we're honest, many of us long to have it. But in its purest form, influence is simply the capacity to affect change on someone. It is the ability to impact others for a certain purpose. And from a biblical perspective, influence is the right and responsibility of everyone who follows Christ. Courageous Influence will guide you in the journey of living the impact you were made to have through this six-session study. Let's turn the world's idea of influence on its head and become the

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

A cultural darkness is intensifying in our nation. Confusion is now exploding at an alarming rate. Every day, Christians are challenged to walk away from biblical living and into politically correct compromise. Victory through Light is a wake-up call to help us live in the Light of God's unchanging Truth. We can and must overcome the darkness besetting our nation and invading our lives. This book addresses contemporary issues from a biblical perspective. It shows the difference between the Light of Christ and the false "lights" of this world. The book exhorts

Christians to live in the  
Light and explains how they  
can so live. The book  
encourages Christians to  
walk in victory and to love  
others, so that they, too,  
may experience victory in  
their lives, relationships,  
and society. This book  
explains how our culture  
turned from light to  
darkness and how we can  
combat the influence of  
darkness in our lives,  
families, and nation. If you  
can see the cultural trends  
toward the removal of  
morality and truth, then you  
will want to read Victory

through Light also discusses  
several philosophical

viewpoints or worldviews that affect Christian living. It explains how these worldly ideas influence individuals and erode relationships. The overall affect is felt in society. The book discusses how to overcome that influence and remain true to biblical principles. Each chapter concludes with Discussion Questions, Personal Reflection, and Verses to Consider. These features make the book ideal for adult Sunday School classes and Bible studies. Victory through Light challenges the readers to view the present reality from a biblical perspective

assurance that the darkness
