Psychological Projection

Robert Johnson presents

alchemical inner gold as a

metaphor for psychological

projection. When we awaken to a

new possibility in our lives, we

often see it first in another person.

A part of us that has been hidden

is about to merge, but it doesn't

go in a straight line from our

unconscious to becoming

conscious.

The key is to take back the projection whilst loving the person on whom you projected your qualities in the first place and to unearth these qualities previously hidden in your unconscious. This is not limited to lovers but to projections we put on our mentors and heroes. It can be an incredibly useful phase of our development to project qualities we would like more of on to teachers, mentors, authors etc, as long as we are ready to "take back the gold" as we mature.

Understanding Psychological  
Projection: Inner gold is the  
highest value in the human psyche.  
It is our soul, the Self, the  
innermost part of our being. It is  
us at our best, our twenty-four-
