financial management developments and issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

CengageNOW is an easy-to-use online resource that helps you study in less time to get the grade you want.

Known for its real-world examples and effective problem sets, this undergraduate corporate finance course is now in its 9th edition and includes a student resource CD-ROM, with Excel tutorials and additional practice problems. The tenth edition features InfoTrac college edition access.

Earn the grade you want in your course with the help of this invaluable tool. This Study Guide lists key learning objectives for each chapter, outlines key sections, provides self-test questions, and a set of problems similar to those in the book and those that may be used on tests, with fully worked-out solutions.

This textbook emphasizes asset allocation while presenting the practical applications of investment theory. The authors have eliminated unnecessary mathematical detail and concentrate on the intuition and insights that will be useful to practitioners throughout their careers as new ideas and challenges emerge from the financial marketplace.
