Where To Download James Bond Movie Poster

The guns, the girls, the gadgets, all the key ingredients of Bond--James Bond--are captured in this one-of-a-kind collection of movie posters. These images have become some of the most memorable visual teasers in cinematic history and are now one of the hottest items of memorabilia among both Bond aficionados and movie collectors. This collection features over 200 original posters, including posters that were never released, limited edition festival posters, and rare advance posters. They are all meticulously reproduced in this oversized.

Fifty years (and five billion dollars in ticket sales) ago, the dashing Scottish actor Sean Connery declared suavely that he was "Bond, James Bond." Thus began a cinematic series unlike any other. In November 2012, *Skyfall*, the 23rd movie in what is seen as the authorized line of Bond films, will be released, with Daniel Craig (the sixth Bond) again in the lead role. The world will once more stream to the theaters for another dose of Bond. LIFE was on the scene in the swinging '60s when James Bond became a cultural icon (in fact, when we put the gold-painted actress Shirley Eaton on the cover in 1964, we helped him along), and now LIFE tells the whole story in this commemorative book. Ian Fleming, a high-ranking officer in British Naval Intelligence of World War II, dreamt up his MI6 spy, code number 007, in 1953, and a decade later, with *Dr. No*, *From Russia With Love* and then the smash *Goldfinger*, saw his creation take on a life entirely his own. All the fun of Bond is here: The movies; the reminiscences by the stars; the LIFE photo shoots; the knockoffs and spoofs ("*The Man from U.N.C.L.E.*," "*Get Smart*," "*I Spy*," the first *Casino Royale*); the artifacts (a model of Bond's Aston Martin DB5 was one of the best-selling toy of 1965); the trivia and inside information on M, Q and Moneypenny--anything a Bond fan would want, packed into one book and then shaken, not stirred. James Bond was, back in the day, one of those cultural phenomena tailor-made for LIFE: It was bright and colorful and vibrant. Today, it still is. Happy birthday, and welcome back, Commander Bond.

British Secret Service agent James Bond, aka 007, stumbles across a woman in a hotel being menaced by two mobsters, and intervenes to save her. This story is unique among the Bond novels in that it is narrated in first person from the perspective of the story 's " Bond Girl. " James Bond is one of the most iconic characters in 20th-century literature. In addition to the 12 novels and 9 short stories written by Ian Fleming, there have been over 40 novels and short stories written about the spy by other authors, and 26 films produced, starring actors such as Sean Connery and Daniel Craig as 007. Random House Canada is proud to bring you classic works of literature in ebook form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

Updated to include the road to Bond 25For over 50 years, Albert R. Broccoli 's Eon Productions has navigated the ups and downs of the volatile British film industry, enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series. Latterly, this family-run business has been crowned with box office gold and recognised by motion picture academies around the world. However, it has not always been plain sailing.Changing financial regimes forced 007 to relocate to France and Mexico; changing fashions and politics led to box office disappointments; and changing studio regimes and business disputes all but killed the franchise. And the rise of competing action heroes has constantly questioned Bond 's place in popular culture.But against all odds the filmmakers continue to wring new life from the series, and 2012 's *Skyfall* saw both huge critical and commercial success, crowning 007 as the undisputed king of the action genre. Now, with Daniel Craig back for a fifth turn as Ian Fleming 's spy in October 2019, Bond 's reign shows no signs of diminishing.*Some Kind of Hero* recounts this remarkable story, from its origins in the early fifties right through to the present day, and draws on over a hundred unpublished interviews with the cast and crew of this iconic series.

Where To Download James Bond Movie Poster

This collection of legendary and never-before-seen Paramount poster art, lobby cards, magazine covers, costume sketches, stills, and fashion photographs celebrates the golden era of Hepburn's career. 204 illustrations, many in full color.

Ian Fleming's James Bond character has entertained motion picture audiences for nearly sixty years, and the filmmakers have come a long way since they spent \$1 million producing the very first James Bond movie, *Dr. No*, in 1962. The 2015 Bond title, *Spectre*, cost \$250 million and grossed \$881 million worldwide—and 2020's *No Time to Die* is certain to become another global blockbuster. The *James Bond Movie Encyclopedia* is the completely up-to-date edition of author Steven Jay Rubin's seminal work on the James Bond film series. It covers the entire series through *No Time to Die*. Packed with behind-the-scenes information based on interviews with the cast and filmmakers, fascinating facts, trivia, bloopers, classic quotes, character bios, and cast and filmmaker bios, it showcases the type of exhaustive research that has been a hallmark of Rubin's work in film history. It also features hundreds of rare and unusual still photographs of the participants both in front of and behind the camera.

THE JAMES BOND LEXICON: THE UNOFFICIAL GUIDE TO THE WORLD OF 007 IN MOVIES, NOVELS, AND COMICS 300,000 Words 5,000 Individual entries 200+ stories covered 80+ pieces of original art 6 Years of Research It all adds up to ONE book - **THE JAMES BOND LEXICON** - the most comprehensive guide to the worlds of James Bond in Movies, Novels, TV, and Comics. Covering 271 James Bond stories released between 1953 and 2019. Written by Alan J. Porter and Gillian J. Porter This husband and wife team are active in the James Bond community and are both members of the Ian Fleming Foundation. Alan J. Porter is the author of *JAMES BOND: the illustrated 007* (Hermes Press), the critically acclaimed history of Bond in comics, and has presented shows on the topic at museums, libraries, and various comics and science-fiction conventions. Alan is also a regular show co-host on the *On Her Majesty's Secret Podcast* channel. Illustrated by Pat Carbajal a prolific artist known for his realistic portraiture and attention to detail, Carbajal has supplied illustrations for several similar pop-culture Lexicon-type projects. He is also a in-demand cover and comics artist.

Exploding off the page with over 1,000 of the best examples of exploitation, grindhouse, and pulp film poster design comes *The Art of the B Movie Poster*, a collection of incredible posters from low-budget films from the 1940s, 50s, 60s, and 70s. Once relegated to the underground and midnight movie circuit, these films and their bombastic advertisements are experiencing a surge of mainstream popularity driven by fans appreciative of the artistic skill, distinctive aesthetic, and unabashed sensationalism they relied on to make a profit, with the quality of the poster often far surpassing that of the film itself. The book celebrates this tradition with sections divided into "moral panic" films, action, horror, sci-fi, and of course, sex, each introduced with short essays by genre experts such as Kim Newman, Eric Schaffer, Simon Sheridan, Vern, and author Stephen Jones, winner of the Horror Writer's Association 2015 Bram Stoker Award for Non-Fiction. Edited by Adam Newell and featuring an introduction by author and filmmaker Pete Tombs, *The Art of the B Movie Poster* is a loving tribute to the artwork and artists that brought biker gangs, jungle girls, James Bond rip-offs and reefer heads to life for audiences around the world.

The ultimate celebration of Bond movie poster art From 1962's *Dr. No* to 2012's *Skyfall*, *James Bond 50 Years of Movie Posters* is an unforgettable gallery of Bond posters, teasers and lobby cards from all corners of the globe, showcasing Bond's incredible 50-year movie history. Featuring many rare and never-seen-before artworks that capture the appeal of cinema's most compelling superspy the book also includes fascinating insights on each poster campaign from one of cinema's foremost production designers, Dennis Gassner. Packaged in a beautiful slipcase with two art prints, *James Bond 50 Years of Movie Posters* will have Bond fans shaken and stirred.
