For regulatory purposes life business is also broadly divided between investment (known as 'qualifying insurance') contracts and non-investment (known as 'pure protection') contracts. A qualifying insurance contract is a long term contract which is neither a pure protection contract nor a reinsurance contract.

Ten things you need to know about Life Assurance in the UK ...

Life assurance, often known as a whole of life policy, is a type of insurance that continues indefinitely and pays out a lump sum once a policyholder dies (assuming they've met their monthly premiums). Your premium tends to be higher for this type of life insurance because a provider expects to make a pay out at some point.
