Sprint Round Competition Practice Test 1 Problems 1-30

In each written round of the competition, the required unit for the answer is included in the answer blank. The plural form of the unit is always used, even if the answer appears to require the singular form of the unit. The unit provided in the answer blank is the only form of the answer that will be accepted.

2020 State Competition Solutions - Mathcounts

The standard Mathcounts competition contains four rounds: Sprint, Target, Team, and Countdown. At some state competitions, the top four contestants, determined by the Countdown Round, participate in the Masters Round. Some state and regional competitions add extra rounds, such as the CIPHERING round.

Past Competitions | MATHCOUNTS

The National Competition is planned as an in-person event. In the first 3 levels of competition, every student competes as an individual and takes the Sprint and Target Rounds, which are designed to take 70-80 minutes to complete. At the National Competition, students also compete in a Team Round and a fast-paced, bee-style Countdown Round.
