School Leadership for
Democratic Education in

Download Free Nkangala

South Africa explores the democratization and modernization of education in South

Africa, analyzing the state of school leadership in South African schools from the time of the new

democratic education dispensation in 1994 to the present day. The book maps out what the future of education in South Africa could look

equity in education.

Contributions explore the democratization and modernization of

education in South

Africa through examining different perspectives,

achievements and

challenges, and also

consider issues around

access to technology,

language policy and the

curriculum along with

(MDGs). It also includes a thorough analysis of implementation and financing of the WHO's Stop TB Strategy and the Stop TB Partnership's Global Plan to Stop TB, since in combination these have set out how TB control needs to be implemented and funded to achieve the 2015 targets. The report gives particular attention to the
