Way Home. Carlos was just another kid from the slums of Havana; the youngest son of a truck driver and a housewife, he ditched school with his friends and dreamed of becoming Cuba's best soccer player. Exasperated by his son's delinquent behavior, Carlos's father enrolled him in ballet school, subjecting him to grueling days that started at five thirty in the morning and ended long after sunset. The path from student to star was not an easy one. Even as he won dance competitions and wowed critics around the world, Carlos was homesick for Cuba, crippled by loneliness and self-doubt. As he traveled the world, Carlos struggled to overcome popular stereotypes and misconceptions; to maintain a relationship with his family; and, most of all, to find a place he could call home. This impassioned memoir is about more than Carlos's rise to stardom. It is about a young man forced to leave his homeland and loved ones for a life of self-discipline, displacement, and physical hardship. It is also about how the heart and soul of a country can touch the heart and soul of one of its citizens. With candor and humor, Carlos vividly depicts daily life in communist Cuba, his feelings about ballet -- an art form he both loves and hates -- and his complex relationship with his father. Carlos Acosta makes dance look effortless, but the grace, strength, and charisma we see onstage have come at a cost. Here, in his own words, is the story of the price he paid.

Carlos Acosta's beginnings were humble (Acosta was the name of the plantation owner who employed his great grandfather as a slave) but his extraordinary talent was evident from a young age. His earliest dreams were of becoming a footballer but as a delinquent Havana schoolboy he found his earliest expression through break dancing, quickly developing into one the hottest contenders in the fiercely competitive street dance-offs, where dance was only a few degrees removed from the violence of the streets. With Carlos constantly playing truant, his father, who saw ballet as his son's only chance of escape, enrolled him into The National Ballet School of Cuba. Unhappy and homesick, Carlos continued to cut class, get caught and receive punishment, in the form of beatings 'to within an inch of his life', brutal reminders of the path he was being forced to choose. With little money, his mother ill and his father unfairly imprisoned, ballet became increasingly Carlos's one chance to escape a life of hardship, uncertainty and struggle. This magical memoir, however, is about more than Carlos's rise to stardom. It is the story of a childhood where food is scarce but love is abundant, where the smells of the Cuban streets and the souls of the people come alive to influence the young dancer's art. It is also about the internal struggles of a man who has to abandon his roots in his beloved Cuba, leaving behind many of the people he loved for a life of extreme self-discipline, constant displacement and brutal physical hardship. Carlos Acosta makes dance look effortless, but the grace, the power and the effortless charm have come a cost - this is the story of the price he has paid.

File Type PDF No Way Home A Cuban Dancers Story

The first murder seemed senseless. The second death a tragic accident. And the killer...a total mystery to Chief of Police James Morgan. Chief Morgan's job had been, up to now, a cinch—his principal occupation being to sexually service the dissatisfied wives of the town's wealthiest citizens. The troubled town is Bensington, a bedroom suburb of Boston, where respectable natives live in old Victorians, rich newcomers in mock mansions, and the poor in wood-heaped frame houses. Just beneath Bensington's sedate surface are some very off-centered residents whose quirky cravings and guilts tend to be overlooked, or neatly concealed. Then a brutal double murder blows everyone's deep, dark secrets into the open air, and for once rich and poor alike are caught up in the same net of passion and violence. James Morgan, Bensington born and bred, is a lean and handsome widower whose love for his dead wife spurs an unending series of sexual conquests, and whose warm compassion wars with the icy imperatives of his profession. Although he is expected to solve the mysterious murders and put the town back together, local coffee-shop critics question his competence, even as they relish the rumors of his trysts. The women who sleep with Morgan—for reasons ranging from boredom to desperate loneliness—are included in his investigation, as is a rich man on the brink of ruin, and a policeman nursing a hidden hate, and a degenerate family consisting of a brutal father and two very different sons—one retarded, the other frighteningly gifted. And complicating it all is Morgan's newest conquest, the daughter of the victims, who herself may be a target. Filled with insight and irony, this electrifying thriller blends roller-coaster action with the sensitive probing of men and women driven by private demons of love and hate, need and desire. Edgar nominee Andrew Coburn masterfully splices psychological suspense with police procedure as he turns his keen eye on small-town America and the secrets it keeps.

The Korticos are from a well-endowed pygmy tribe in West Africa; the Mandingas are descended from a tribe of tall Ghanaians. Both families have been brought to Cuba as slaves. Oscar Kortico and Jose Mandinga, inseparable friends, marry a pair of sisters, and in the tiny hamlet of Pig's Foot (Pata de Puerco), five generations of these families will live out their colorful lives through the tumultuous sweep of Cuban history: from slavery through the war of independence, exploitation, dictatorship, and compromised freedom, to the present day when teenager Oscar Mandinga goes seeking the fabled village of his ancestors. Carlos Acosta's first novel is a swiftly plotted island folktale with warmth, humor, magic, and a light allegorical touch. It's a history grounded in sights and smells and human foibles. And it's an enchanting and unexpected debut from an author of many talents.

Cuban Studies 39 includes essays on: the recent transformation of the Cuban film animation industry; the influence of the liberal agenda of Justo Rufino Barrios on Jose Marti; a profile of the music of the Special Period and its social commentary; an in-depth examination of

With expert, opinionated reviews on the best hotels, casa particulares, bars, shops and cigar lounges - plus coverage of the country's exciting new wave of restaurants - this in-depth guide will ensure you make the most of your time in Cuba.

Cuba is a land of contradictions that is easy to enjoy but difficult for first-time visitors to decipher. The largest island in the Caribbean, it is a tropical paradise that Christopher Columbus called "the most beautiful land that human eyes have ever seen." It is famous for the romantic charm of its crumbling colonial cities, the beauty of its white sand beaches, and its irresistible Afro-Cuban dance beats. But it is also a land of shortages and tight government control, which has been in a sixty-year political standoff with its superpower neighbor, the USA. The homegrown version of single-party socialism created by Fidel Castro has kept Cuba in a Cold War time warp that only now is beginning to change. As travel restrictions are relaxed US tourists can once again visit the island. Greater flexibility toward private enterprise is opening it up to boutique hotels and high-quality home-based restaurants. There is a boom in special-interest tourism for cyclists, hikers, birdwatchers, and scuba divers, while foreign entrepreneurs are eagerly exploring investment opportunities. Culture Smart! Cuba will take you beyond the usual descriptions of Havana nightlife, vintage cars, and hand-rolled cigars and give you an insider's view of an island that is teetering on the brink of historic

File Type PDF No Way Home A Cuban Dancers Story

change. It offers insights into Cuba's fascinating history, national icons, unique food, vibrant cultural scene, and world-renowned music. Practical tips help business travelers gain an edge on the competition. But most of all, this book aims to show you how best to break the ice and get a better understanding of the infinitely resourceful Cuban people, who despite severe hardships and shortages over many years remain optimistic and fiercely proud of their heritage and culture.
