With a fleet of telescopes in space and giant observatories on the ground, professional astronomers produce hundreds of spectacular images of space every year. These colorful pictures have become infused into popular culture; we find them on billboards, in commercials, and on our computers. But they also invite questions: Is this what outer space really looks like? Are the colors real? How are these images made? "Coloring the

What if the Universe were to send you frequent reminders of the absolute power you have over your life? Author Mike Dooley, an interpreter for the Universe, has done exactly that in Notes from the Universe—a collection of empowering, invaluable truths that can be read front to back or opened at random. This first book in the Notes from the Universe trilogy teaches its readers to live a life far richer than they had previously thought imaginable. The Universe is here to remind us that we are in control. To have the life you desire, all you have to do is ask.

The secret to manifesting change is not focusing on the how but instead, the end result of what you're after—the kind of life you want. Then, once you are truly focused, the Universe will conspire on your behalf. Author Mike Dooley has turned over every stone, knocked on every door, and followed every impulse. He has immersed himself in the truths he needed to hear most; these were the kind of lessons he wrote about in his weekly emails. What started in 1998 as a little poem sent out once a week to 38 email addresses has evolved into an inspiring anecdote delivered to over 300,000 subscribers from

Unicorns are angelic helpers who want to assist us in living happier and healthier lives. Some people think that unicorns once lived upon the earth just like horses do. Since the unicorns were hunted for their magical horns, they decided to become invisible to those who might hurt them. Today, only children and people who believe in them can see and feel these beautiful beings. Unicorns have a life purpose of bringing a high vibration to our planet. They want to help you feel happy, safe, and loved. They are also here to guide all those who
