Of all the big men in the small Midwest town, Chief of Police Bartram T. Krumnagel was the biggest. A physical giant with an unbeatable talent for wrongful arrest, he kept the streets safe by shooting on sight. But how would such a stout defender of American liberty fare on foreign soil? When a grateful community presents him with round-the-world tickets for himself and his wife, Krumnagel sets off for the voyage of his dreams. And in the small English village of Winkworth Travis, the trigger-happy policeman finds himself disastrously

stranded on the wrong side of the law...

I've done it! Thanks to my awesome powers of persuasion, elusive-but-dreamy TV star Simon Valentine is starring in our new romance documentary! It wasn't easy, though—Simon thinks his status as prime-time financial guru turned celebrity is ridiculous! He says he now steers well clear of affairs of the heart, but surely he must have one romantic bone left in his body? Much as I'd like to find out firsthand, I've sworn off men after a disastrous ending with my last boyfriend. Must remain professional—though it won't be easy...we're filming in the most romantic city of all.... Clara x

The Most Comprehensive, Multimedia Pharmacy Review Guide Structured to Parallel NAPLEX Content Capstone Pharmacy Review enables pharmacy students to thoroughly prepare for the North American Pharmacist Licensure Examination (NAPLEX). The comprehensive Capstone Pharmacy Review is designed to match the NAPLEX blueprint and focuses on the exam's three core competency areas, providing a unique and complete review for key exam content. It addresses key competencies such as preparation and dispensing of medications, pharmacotherapy considerations, and drug information, with review material correlating to the topic's importance in the exam. Each new copy of Capstone Pharmacy Review includes an online access code for the interactive web-based program Navigate TestPrep: Capstone Pharmacy Review. Repeatable and customizable to the student's needs, the online Navigate TestPrep program offers case-based questions for exam practice, valuable rationales with remediation to the text and competencies, detailed reporting, and a timed exam to simulate the real-world testing environment. *Electronic formats and eBooks do not include access to Navigate TestPrep. Access may be purchased separately. Features • The most comprehensive and expansive selection of pharmacy calculations for review and study • A review of the top 200 drugs therapeutic class, mechanism of action, patient counseling, side effects, dose, drug interactions and contraindications • A comprehensive Federal Law Review • Coverage of Pharmacology preceding a review of Therapeutics • Helpful illustrations, tables, and appendices • Access to both text and Navigate TestPrep review material including an online practice exam* • Case-based and non-based questions which address each of the three NAPLEX competencies. • Plans for individual and group study Please note: Shelley H. Otsuka should be listed as a contributor to Chapter 29, Topic: Immunizations.

This Second Edition gives the reader easy access to the history and contemporary situation of one of the world's ancient civilizations. The heart of the work is more than 350 entries on the most influential political figures and events, religious groups and movements, economic sectors, social institutions, and cultural facets. The second edition includes nearly 100 entirely new entries and updates on 43 entries from the first edition. An important difference between the two editions is the inclusion of many more entries on social institutions, such as the family and coffeehouses, cultural aspects, such as art, architecture, cinema, literature, music, and theater, and economic facets, such as inflation, corruption, the public sector, and efforts at reform. There is also expanded coverage on Syria's political dynamics, with entries on human rights, civil society, and security forces. The only specific reference work in English, this new edition addresses profound changes in Syria's domestic and regional circumstances. The domestic political scene witnessed a major transition with the passing of Syria's ruler for 30 years, Hafiz al-Asad, and the unexpectedly smooth succession of his son Bashar as new president in 2000. The regional situation has changed even more since the first edition came

out in 1996. Peace talks with Israel collapsed in 2000 and three years later the United States invaded Iraq, beginning an occupation of Syria's neighbor for an indeterminate period, with incalculable consequences. In addition to the A to Z dictionary, the second edition contains a chronology that presents fairly general information on early centuries and becomes quite detailed for the most recent years. The bibliography also reflects significant changes in research on Syria. Not only does the bibliographical essay highlight important new monographs, it introduces the reader to credible Internet resources for guides to travel and popular culture as well as news and statistical data at major international organizations'

In this lively introduction, J. Nelson Kraybill shows how the book of Revelation was understood by its original readers and what it means for Christians today. Kraybill places Revelation in its first-century context, opening a window into the political, economic, and social realities of the early church. His fresh interpretation highlights Revelation's liturgical structure and directs readers' attentions to twenty-first-century issues of empire, worship, and allegiance, showing how John's apocalypse is relevant to the spiritual life of believers today. The book includes maps, timelines, photos, a glossary, discussion questions, and stories of modern Christians who live out John's vision of a New Jerusalem.

New York Times bestselling author Karen Hawkins entrances with the story of a proud Highlander and the impulsive English minx who resolves that, one way or another, he will be...The Laird Who Loved Me. Handsome Alexander MacLean enjoyed his intoxicating flirtation with lovely Caitlyn Hurst...until she embarrassed him in front of the entire town. Orchestrating Caitlyn ' s attendance at a fashionable house party, Alexander plots her downfall. But to his fury, her charm and wit thwart his plan to ruin her. Her disastrous London season left Caitlyn filled with regret and determined to make things right with Alexander. She ' s delighted to find him at the house party to which she ' s unexpectedly invited—but it ' s clear that the sexy, arrogant Highlander hasn ' t forgiven her. So, Caitlyn comes up with a bold scheme, proposing an unusual contest drawn from legend: each must complete a set of mythic tasks. If Caitlyn succeeds, Alexander promises to relent and forgive her previous rash behavior; if he succeeds, she will join him in his bed! But can Caitlyn force Alexander to give up his quest for vengeance without giving up her heart in return?

The Architecture of Productive Learning Networks explores the characteristics of productive networked learning situations and, through a series of case studies, identifies some of the key qualities of successful designs. The case studies include networks from a variety of disciplinary and professional fields, including graphic design, chemistry, health care, library science, and teacher education. These learning networks have been implemented in a variety of settings: undergraduate courses in higher education, continuing professional development, and informal networks for creating and sharing knowledge on a particular topic. They are rich in reusable design ideas. The book introduces a framework for analyzing learning networks to show how knowledge, human interaction and physical and digital resources combine in the operation of productive learning networks. The book also argues that learning through interaction in networks has a long history. It combines ideas from architecture, anthropology, archaeology, education, sociology and organizational theory to illustrate and understand networked forms of learning.

Elena has no plans for romance. Her plate is full with trying to stay alive, getting to know the new sibling in her life, and solving a murder that seems to have been dropped on the DeVitis

family's doorstep. She's spent her entire adult life trying to prove that she's a smart and capable woman who's able to take care of herself. But ultimately, when the danger that's dogged her for as long as she can remember suddenly becomes overwhelming, will Elena need to depend on the man with bedroom eyes and movie star good looks who keeps inserting himself into her life, claiming to have only her safety in mind? Erik didn't ask to be given the job of protecting Elena DeVitis. She's the most stubborn, difficult woman he's ever met. But despite her hard outer shell, and the way she constantly keeps him at arm's length, there's a certain vulnerability in the beautiful heiress's eyes. He knows she's fighting to appear strong and self-sufficient, but he's worried for her life. And beyond that, he's concerned about the feelings between them, which are growing stronger by the moment. A conspiracy, a murder, an ongoing pursuit. Everything seems to be coming to a head. And as it does, members of the DeVitis family will be put into new and deadly situations. And there remains at least one life-changing surprise for them all.
