Rang & Dale's Pharmacology, 8e: Amazon.co.uk: Ritter DPhil ...
Although there are many pharmacology textbook on the market, Rang & Dale's Pharmacology is the reference that I use most of the time. This partly because it is the recommended textbook in my university syllabus. Back in my university years, the latest edition was 7th edition, published in 2011. In 2020, it already comes to 9th edition.
