Globalization is about Americans outsourcing product development and services to other countries. Globality is the next step, where rapidly developing economies from around the world are now competing with us head to head. The authors present a strong case that the economic climate in which we have lived is going to change in unprecedented ways.

"...their insights into the competitive battle in emerging markets are so keen." -William J. Holstein of The New York Times "Many American chief executives, it turns out, are aiming at emerging markets...And they will find many insights into prevailing in those battles in this book." -William J. infrastructure (in particular the regional airports at Cluj, Sibiu and Târgu Mures) to the completion of new motorway routes, such as that between Sibiu and Deva. Also covered are a number of striking new accommodation options: for example the sustainable guesthouse in Valea Zalanului owned by HRH The Prince of Wales, and the mountaintop retreat of Raven's Nest in the Apuseni Mountains. More attractions have opened up, such as Baroque palaces formerly owned by Hungarian aristocrats, seized under the Communist regime and now being restored by the descendants of their original owners. And the region is developing its offer for new types of tourism, such as summer rock festivals, notably the Untold Festival at Cluj and Electric Castle Festival at Bontida. Transylvania, literally the 'land beyond the forest', is a wild, wooded, intensely romantic region, filled with mountains, gorges and valleys, myths and

legends, dragons, bears, wolves - and vampires. Bram Stoker called it 'one of the wildest and least-known parts of Europe' a description which remains true today. One of the most beautiful regions in central Europe and home to three UNESCO World Heritage Sites, Transylvania preserves its cultural and artistic treasures in a unique landscape, bordered on three sides by the Carpathian Mountains. The hay meadows of the lower Carpathians form a man-made, high nature-value grassland ecosystem of extraordinary diversity, offering a beautiful display of wild flowers. The Carpathians are home too to lynx, wild boar, and one of Europe's largest populations of brown bear. Other natural phenomena include the Scarisoara ice cave in the Apuseni Mountains and the Sfanta Ana volcanic crater lake in Harghita. Whatever your interests, with Bradt's Romania: Transylvania, you can discover all of the
