Acces PDF Research Paper Pride And Prejudice

Since it was my part to introduce Jane Austen in a paper on 18th century women writers I wanted to know more about the female writers at her time. I chose *Pride and Prejudice* because it is one of Jane Austen's most famous novels. While I was reading it I soon discovered that marriage is the main theme of the novel. I want to compare the different kinds of marriages described in the novel putting emphasis on the marriage of the hero-ine and the hero. I want to show the importance of marriage in women's eyes in the 18th century. In a further step I will take a closer look at the ending of the novel which has often been described as a fairytale ending on the one hand and as confirmation of patriarchal structures on the other. I want to show that the ending can be interpreted in a different way. I shall reveal that marriage in *Pride and Prejudice* is not only the essence romantic novels are made of but rather

Acces PDF Research Paper Pride And Prejudice

important to the existence of women in the 18th century."

A new edition of this standard work, fully updated with four brand new chapters.

"Pride and Prejudice is one of the most beloved novels of all time, and nothing captures Jane Austen's vivid emotion and keen with better than her characters' correspondence. This deluxe edition pays homage to the power of these epistles, with glassine pockets placed throughout the book containing removable replicas of all 19 letters in the story, re-created with gorgeous calligraphy and painstaking attention to historical detail"--

Provides the most comprehensive and up-to-date array of Austen scholarship Functions both as a scholarly reference and as a survey of the most innovative speculative developments in the field of Austen studies Engages at length with changing contexts and cultures of reception from the nineteenth to the twenty-first centuries

Seminar paper from the year 2009 in the subject English Language and Literature Studies - Literature, grade: 1,0, Justus-Liebig-University Giessen, language: English, abstract: In contrast to the obtrusive morality of the majority of novels at that time, Austen's pieces of work are strongly marked by an ironic tone, a subtle humour and highly

Acces PDF Research Paper Pride And Prejudice

ambivalent statements. This ambivalence and high use of irony makes it, even today, difficult to determine Austen's attitudes towards society and the question whether her novels are to be interpreted as conservative, modern or feministic pieces of literature. Romantic novel, Bildungsroman, comedy of manners and comedy of character are some examples for the various terms Austen's novels have been labeled. In particular in *Pride and Prejudice*, an ironic tone is predominant throughout the novel. As Klingel Ray states, Austen is "first and foremost a satirist. And for a satirist, irony is the major tool of language." In order to analyse the novel thoroughly and adequately, it is thus of paramount importance to study Austen's use of irony and her intentions and motives behind the ironic statements and events in the book. This essay seeks to investigate Austen's

Acces PDF Research Paper Pride And Prejudice

use of irony in *Pride and Prejudice*. After discussing the definition of irony that should be applied when studying Austen's works, including an explanation of the different motives behind her use of irony, the author's treatment of irony in the structure of the plot and her narrative strategy will be illustrated. An analysis of the two most ironic characters in *Pride and Prejudice* will then follow, and their relative contribution to the ironic tone of the novel will be depicted with the aid of several examples. Finally, two exceptions from the prevailing ironic tone in *Pride and Prejudice* will be stated and explained.

"You must allow me to tell you how ardently I admire and love you."

Seminar paper from the year 2003 in the subject English Language and Literature Studies - Literature, grade: 1,3, RWTH Aachen University, course: 19th Century Women Novelists: Jane Austen, Charlotte and Emily Bronte, 20 entries in the bibliography, language: English, abstract: Introduction Even today, nearly 200 years after her death, Jane Austen is still one of the best-known writers of English Literature. Her novel of manners bridged the neo-classical period in which she grew up with the gradual oncoming of the Romantic period 1 with its interest in the

Acces PDF Research Paper Pride And Prejudice

individual's growth within the boundaries of its environment. Still conservative in her values and morals, she was nevertheless an advanced writer as far as her way of writing is concerned. Disliking the sentimental novel of her time, she managed to provide an accurate and truthful social portrait. On the other hand she reconciled this ironic view with the credible presentation of a man and woman undergoing a serious "change of sentiments" 2 . In this new entertaining genre Austen thus developed a power of character-drawing 3 especially prominent in her dynamic main figures. *Pride and Prejudice* (published in 1813) 4 , one of her best-known novels, is not exceptional in this respect. Its main figures Elizabeth Bennet and Fitzwilliam Darcy prove to be a dynamic pair of figures undergoing a profound change of attitudes and opinions. A lot of analytic secondary literature has

Acces PDF Research Paper Pride And Prejudice

been written about those two characters and the development of their relationship. Unfortunately, the bulk of subsidiary characters of the book has not enjoyed that much popularity with the critics. Some of those subsidiary characters belong to the class of comic characters and indeed impact on the development of the novel's structure and plot on the discourse level which should not be underestimated. Consequently, this paper will analyse one crucial subplot in *Pride and Prejudice* which is inseparably connected to the subsidiary figure of Lydia. Although mainly serving as a means of irony in the course of the novel's first part, Lydia Bennet and her actions only gain importance in the last third of the book when she chooses to do the one thing her elder sister Elizabeth has always been afraid of and elopes with the officer George Wickham, risking her own

Acces PDF Research Paper Pride And Prejudice

reputation as well as that of her family. It will be the purpose of this paper to analyse this episode in detail which will be done by having a closer look at the following three aspects: [...]
