Preparing for your RMA (Registered Medical Assistant) exam by taking practice tests has many benefits. Using sample questions to study for your test is the most effective study practice you can use. The advantages of using RMA sample tests include: Increasing Your Speed – The RMA exam has a three hour time limit. Although most students who take the RMA feel that there is sufficient time, taking the practice tests with self-imposed timers help you budget your time effectively.

First, if you've 1) graduated from a program that's accredited by either the CAAHEP or ABHES; or, 2) if you've

# Access Free Rma Test Study Guide

completed a program offered at a college or other post-secondary institution that holds U.S. Department of Education accreditation (and which involved at least 720 clocked hours, including 160 or more externship hours), then you're eligible to take the RMA test. You can also sit for the RMA exam if you've worked as a medical assistant for a minimum of five years.
