This book presents a detailed overview of day-to-day operations of laboratories. Commercial laboratories that cater to the environmental community are emphasized. The book is divided into three parts: laboratory management, practical solutions to common laboratory problems, and suggestions for increasing laboratory productivity.

Annotation. For more than a decade, this book has been the definitive guide to franchises and licensing programs. In this third edition, author and prominent attorney Andrew J. Sherman expands his in-depth coverage to include international franchising initiatives. In addition, every chapter has been thoroughly updated to reflect new information on market responsiveness, compliance, and other key issues. The result is a truly global reference that will prove indispensable to companies and entrepreneurs alike. If you're involved in any aspect of franchising and licensing, you can't afford to be without the latest edition of this book. It became the industry standard immediately upon its original publication, opening up enticing opportunities for entrepreneurs as well as presenting new strategic options for corporations. Now the third edition gives it truly global reach. Expanded to include international as well as domestic (U.S.) franchising and licensing, it comprehensively covers the strategic, legal, financial, and operational aspects of these complex but highly profitable business structures.

The details of international business are growing more complex by the day and even the most seasoned professionals can find themselves in need of guidance. This comprehensive answer book supplies readers with a clear view of the entire export/import process, explaining the ins and outs of shipping and insurance; payment mechanisms; distributors vs. agents; customs and export control requirements; and transportation issues. Featuring dozens of sample contracts, procedures, checklists, and ready-to-use forms-Export/Import Procedures and Documentation is an authoritative voice in the everchanging, often confusing world of international laws and regulations. The revised fifth edition contains new and expanded information on topics including: Corporate oversight and compliance \* Valuation \* The Export Control Reform Act \* Licensing requirements and exceptions \* International Commerce Trade Terminology \* The shifting definition of "Country of Origin" \* Specialized exporting and importing \* And more Thorough and accessible, this trusted resource provides readers with the tools they need to manage supply chain dynamics around the world, and keep everything organized, up-to-date, and above board each step of the way.
