It was frustrating because not only was book 3 in the Imdalind series the same timeline as book 2, but book 4 barely moved the plot at all. The ending of Soul of Flame was wonderful, though. I may have escaped Cail's delusions … … But my world is still on fire. It was a miracle when Ilyan pulled me from Cail's mind. Too bad the creepy bleeding walls, and broken bathroom from hell followed me back into reality. Now everything is so mixed with the twisted, haunted house that you would think I was losing my mind. Walls are moving, people are screaming and Ryland is right there, just begging me to kill him. Which is great, cue the sarcasm, I get my best friend back, and now I want to rip him to pieces. Being trapped inside Cail's insanity has turned me into just as much of a weapon as Ryland. Both of us, broken little pawns, trapped in an old abbey in the middle of Spain, surrounded by Edmund's army, just waiting for the 'war to end all wars' to begin. You know, the one that I am supposed to die in order to save the world. Hopefully it won't be impossible. I may be battling with my mind, but my trip into insanity has woken up my powers, and now there is no stopping me. Even Ilyan isn't ready to lose. Which is probably why on the night of the battle that is supposed to be my last, he does something that will impact us forever. Hopefully for the best. Just when you think it can't get any better, Ilyan had to go and do that?! I guess you better dive right in and find out what that is. Enjoy! Having Our Faces on Wanted Posters Was Great … … Until They Came to Collect the Bounty. Ilyan is gone, lost in the end of the war that claimed millions of lives. And changed millions more. With the Vily's freed, nearly half the world has been infected with rotten magic that quickly turned the world into a post-apocalyptic war zone. All thanks to one mad man. So, where do I come in? I'm Ryland LaRue, the son of that mad man. Yeah, the idiot who pretty much destroyed the world raised me, if you can call it that. It would be fitting that my face, along with the face of the few other good guys, would be plastered around the world and blamed for this mess. We need to find my brother, track down my sister, and find a way to control the magic before it gets out of control. If it hasn't already. It's all in the hands of a kid with a terrifying temper, the last remaining wielder of fire magic, and a reluctant King. That last one would be me. The new freaking King of Imdalind.This book helps take the Imdalind series to the completion it was always meant to have. In addition to the combined novels, Spark of Vengeance also includes over 20k words of NEW content and perspectives. □This series has been recently re-edited and expanded. I kissed my best friend… … and now he is trying to kill me. I loved Ryland LaRue from the moment I knew what love was. I loved him so much I risked everything to save him. That risk exploded just like his house, and took pretty much everyone I cared about with it. Including him. Now, my best friend, my first love, and I guess my magical-soul-bonding-husband is hunting me. Yes, hunting me. Full-on attack mode. Edmund, wants me dead, and now that Ryland is under his control, he wants me dead too. Awesome. I would probably be dead already if Ilyan wasn't protecting me. Or rather, subjecting me to the ultimate house-arrest. Even that isn't enough. It's not me that's in trouble after all, it's my mind. How can you protect your mind from the attack of someone you can't even see? Cue the two guys that Ilyan has been hiding inside a freakin' mountain. Everyone has their secrets, it seems. One of these days all of those secrets are going to get me killed. Why? Because I guess I'm the freaking Silny now. I think I've had enough of secrets. The second installment of the internationally best selling Imdalind Series, EYES OF EMBER, is full of all the twists, and danger, and star-crossed lovers you could ask for. We can't promise everyone will survive this one, but we are pretty sure you are going to love it anyway. "Ethington is adept at building an emotional story, in EYES OF EMBER, one that carries the reader along on the same journey her characters are experiencing."- In my mind □□□□□ "It takes a special kind of author to put you in book bliss, and to write a book as well as this one." - Book Squirrel □□□□□ This series has been recently re-edited and expanded. What's worse than a city under siege? An irritating father on a power trip. It's like the punchline to the worst childhood ever. I may have spent my entire life wishing I could have my father back, but now that he's here he can just head right back to where he came from. He just won't shut up about broken sights and Drak traditions and things that I can't possibly understand. Mostly because he refused to tell me about them. Thank god, Ilyan thinks he's as much of a quack as I do. Well maybe not a quack, but he isn't the leader of the Sain fan club. That role belongs to Ryland. Ugh. Let's just hope too many more people don't fall for his lies or I am going to pop him just like this zit that Edmund has trapped us in. And yes, it's going to be just as gross. Amid what has become known as "The Invasion" the world is in disarray. War is everywhere, shrouded by the creatures that now swarm over the planet, killing people with a single bite.Which is why when a young man is found covered in blood outside the door to a Ukrainian hospital, he didn't garner much attention.With no memory of who he is or whose blood is covering him, he is given the name of Jan Kowalski and locked away in the hospital waiting for safety, waiting for his identity to return. The more he waits, however, the more confusing he becomes. From the heart that beats inside his chest; the heart that is not his despite there being no evidence of surgery. From the way he doesn't age, even though he slips in and out of coma's for more then ten years. From the broken fragments of memories that torment him, and the woman that haunts his dreams every night.To the man who sneaks into the hospital to kill him. To the governments that want him. Nothing is right. Not even when the truth finally became clear. And his name becomes Ilyan Krul once more.

Edmund has infiltrated the underground hallways of Prague, guiding the massacre that would end the lives of the last of the great magical race. In her attempts to stop him, Wynifred has been captured and her magic restrained. Chained up in the ancient dungeons of Prague, her fate is left in the hands of her father, who has tried to kill her before. With Ryland's screams and Sain's fragmented sights as her only company, Wyn must rely on something that has been hidden deep inside of her for centuries to help them break free.Ilyan's whole life has been building up to one purpose. Protect the Silnẏ. He knows what he must do, and he has no doubt in his ability to do so. But when his father's magic removes Joclyn's mind from her body, he is left protecting the shell of the one person he loves. Desperate to find a way to break her free of her prison, he makes a choice. And that one choice changes everything. Now, Ilyan finds himself bound to Joclyn in a way that he never knew to be possible.They say that blood is thicker than water, but Black Water burns, and Ilyan's heart may not be strong enough to keep it pumping through his veins and give the girl he loves back into his brother's care. Even if he can, it may not be safe to do so.

Everyone has been waiting for the Silnÿ… … they are getting something much more dangerous. Centuries have been filled waiting for this war, for the ultimate battle of good and evil, and the Silny to save them all. Which would be me, because you know, I am the Silnÿ. Too bad, I'm pretty sure that even my superpowers can't save us at this point. The danger has bled it's way into the cathedral, and even if we escape, even if we pop that bubble and force our way out of Prague and into Imdalind the only thing that is waiting for us there is a pathway of blood. Blood and death. Nothing good will come of this. That is if you believe my sight, and I am starting to think there is little we can do it to change all of the frightening things that I am seeing. That doesn't mean I'm not going to try. I will give anything to save Ilyan. Anything. The end is here, the war has come, and everything is about to get real. Brace yourself, because I can't guarantee you that you, and everyone else, will come out of this alive. "What an amazing story!!! I have loved these characters for years, have feared for them, cried for them and cheered for them." - Christine S, Amazon Reviewer □□□□□ "The Imdalind series has enchanted me with the complexity of the storyline, of the strength of the characters and most importantly love and the true meaning of family." - Compey's Reviews □□□□□ This series has been recently re-edited and expanded. Flying demons, a city in ruins… … and a bit of a rodent problem I need to solve. Being trapped in a post-apocalyptic city has its perks. Free dusty clothes, all the canned food you can eat, a slowly deteriorating city. Paradise. Or it would be if the city wasn't filled with man-eating Vilỳ, hundreds of Edmund's men, and a mole. Not the massive blind rat things, but the kind that's working for the massive blind rat things. By which I mean Edmund. It seems we have one of those, although we can't figure out who it is. Watching Edmund stay one step ahead of us is doing nothing for the overall morale, however. Which is already pretty low seeing as we are trapped inside of Edmund's Zit. And yes, I know, we decided not to call it that, but it's feeling a bit too accurate nowadays. Thom's still in a coma, Sain is deteriorating, Wyn is a bit of a mess, and did I mention the mole? Ilyan and I just need to keep everything together, which would be so much easier if my father would keep his nose out of things. If anyone's a zit, it's him. Joclyn, Ilyan, and all the others are in a bit of a pickle. Okay, not a pickle, a giant ugly red zit. The danger level is about to crank itself up to eleven. Good thing we have two powerful girls on our side, ready to kick butt.
