As a middle school teacher I decided to do a workshop on teaching cursive. There is big demand at my school because so many students never had any cursive instruction in elementary nor could they read a lot of cursive writing. This is the book to teach from. I had much success with my students, even though I had to combine units.

This early work is both expensive and hard to find in its first edition. It comprises a series of self-teaching lessons in rapid, plain, unshaded, coarse-pen, muscular movement writing for use in all schools, public or private, where an easy and legible handwriting is the object sought. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Brighter Child Handwriting: Cursive helps students master legible writing in the cursive style. Practice is included for lowercase and uppercase letters, words and sentences, and more. School success starts here! Workbooks in the popular Brighter Child series are packed with plenty of fun activities that teach a variety of essential school skills. Students will find help for math, English and grammar, handwriting, and other important subject areas. Each book contains full-color practice pages, easy-to-follow instructions, and an answer key.

and Declaration of Independence. The introduction section features a full-page format that focuses on one uppercase and lowercase cursive alphabet per page—a method that allows for thorough practice when learning to write each letter correctly. Over 200 opportunities to trace each cursive letter is given before your teen is presented with a freehand cursive practice page. When teaching cursive handwriting to teens, daily practice should be encouraged. Daily practice allows spacing between words to become consistent. In order to make teaching cursive more effective, guided lines have been provided. Guided lines make cursive letter formation and word spacing simple and effective. Why is Learning Cursive: Handwriting Practice Workbook for Teens an important addition to your teen's curriculum? According to a 2013 New York Times article, "Learning to write in cursive is shown to improve brain development in the areas of thinking, language and working memory. Cursive handwriting stimulates brain synapses and synchronicity between the left and right hemispheres, something absent from printing and typing. As a result, the physical act of writing in cursive leads to increased comprehension and participation. The College Board found that students who wrote in cursive for the essay portion of the SAT scored slightly higher than those who printed." This handwriting book is perfect for teens improving cursive penmanship. Learning Cursive: Handwriting Practice Workbook for Teens is a great resource for the homeschool classroom as well as public and private 1st grade, 2nd grade, and 3rd grade classrooms. It's a great companion to other printed and cursive alphabet handwriting programs such as Zaner-Bloser, D'Nealian Cursive, and Kumon. This 260 page cursive workbook for teens is superior to one-page printable cursive worksheets.

A step-by-step program that shows parents, simply and clearly, how to teach their child to read in just 20 minutes a day.

Cursive First introduces children to writing numerals, the cursive alphabet, and the most common phonograms of the English language. The package coordinates with the instruction found in the highly successful Spell to Write and Read and The WISE Guide by Wanda Sanseri, and can be used with the beginning writer or an older student transitioning from print to cursive. Includes a Teacher's Manual, Practice Sheets and a Cursive Phonogram card set.
