I'm acutely aware of her long legs, her soft curves, her sweet moan.Mistakes be damned.She's my wife. Tempting Tim is a heartfelt and deeply engrossing small-town, second-chance romance - guaranteed to bring music to your soul all the way to the happily-ever-after. I never wanted the limelight. The only thing I wanted was Conley Logan. When words failed to express my feelings for Conley, I relied on music instead. But our love song ended before it even began, before I ' d even told her how I truly felt. As a result, I watched Conley leave hand-in-hand with my bandmate instead of me. Not wanting the fight that would break up the band, I made a choice. I lived with it every day, knowing it was nobody ' s fault but my own. I ' ve moved on. I ' m content with my small-town life, running a bar. But now Conley is back, forcing me to face the music. From the way I ' m still tempted to make her mine, it's as if nothing has changed—but until she tells me why she's back, I'm not sure I can trust what ' s growing between us. The only thing that has changed: I ' m not letting her get away this time without a fight. New York Times and USA Today Best-Selling Series Twenty-year-old Holly Pearson never dreamed that while working at her father's motocross track she'd run into the walking, talking definition of trouble in a sexy, tattooed package—Trip Douglas, the man sent to evaluate the track for a possible investment opportunity. Holly makes no attempt to hide the fact she despises Trip, but she learns to be civil toward him when he offers to help her land the man of her dreams. Trip needs a break from the crazy rock-and-roll lifestyle he's been living for the past few years. With his Black Falcon band mates settling down with marriage and babies, Trip peruses an investment opportunity in motocross, something he's always been passionate about. Hiding his celebrity status, Trip infiltrates the new business posing as a dirt bike rider training for the X-Games. The only obstacle is the owner's daughter, Holly. She's a real ball bustin' Ice Queen, and she'll do whatever it takes to make the deal fall through. Trip soon discovers that winning over his new enemy is the key to gaining a partnership in Mountain Time Speed Track. Knowing he's the expert on getting laid, Trip ropes Holly into becoming his ally by helping her score a date with the man she's crushing on. The problem is, the more time Trip and Holly spend together, the more they uncover the undeniable attraction between them. Soon they both realize that even the best laid plans go to hell when you find you're falling in love with the enemy. **Book THREE in the Black Falcon series. Can also be read as a stand alone novel.** Praise for ROCK THE BEAT: "I also was pleased to see that Trip is doing something different than the others - this is not another book on the tour bus. That's been played out and Michelle was smart to find Trip a different storyline. I felt like we get to see a side of Trip that we didn't necessarily get with Noel and Riff. We get a more "real" version of Trip Douglas"--A Book Whores Obsession "This book is freaking awesome! I don't know how Michelle does it, but she doesn't. Every.Single.Time! Each book in the Black Falcon series gets better and better."--Island Lovelies Book Club "The storytelling and the intricate storyline that Michelle delivers shows the depth of her writing abilities. She has the capability of creating a unique story that will keep you turning the pages till the very end."--Wolfel's World of Books

He was supposed to glue my broken heart back together. Instead he threw me away. Now he's just another rock star asshole. He gets everything he wants. But not me. Not again. Ethan Strong was the first man I ever loved. He was the one person who understood me, the one person who made me feel whole, the one person who set my body on fire. We were supposed to be together forever. Then things got hard and Ethan forced me to choose between him and everything I've worked for. Now he's back in my life. He says we'll be friends. It's been a long time. I can forgive, but I can't seem to forget. The taste of his lips, the sound of his groans in my ears, those calloused fingers between my legs-- I'm going out of my mind remembering all the pleasure he brought me. Worse, I keep thinking of how happy he made me. I can't fall back in love with Ethan. It doesn't matter how badly I crave his gorgeous blue eyes, his tattooed arms, and his strong guitarists' hands. It doesn't matter that his smile still lights me up inside. It doesn't matter that I need him like I need oxygen. I'm not giving Ethan another chance to throw me away.
