Welcome to Shadow Falls, nestled deep in the woods of a town called Fallen... Kylie Galen has never felt normal. One night she finds herself at the wrong party, with the wrong people, and it changes her life forever. Her mother ships her off to Shadow Falls—a camp for troubled teens—but within hours of arriving, it becomes clear that her fellow campers aren't "troubled." Here at Shadow Falls, vampires, werewolves, shapeshifters, witches and fairies train side by side—learning to harness their powers, control their magic, and live in the normal world. They insist Kylie is one of them, and that she was brought to Shadow Falls for a reason. As if life wasn't complicated enough, enter Derek and Lucas. Derek's a half Fae who's determined to be her boyfriend, and Lucas is a brooding werewolf with whom Kylie shares a secret past. Both Derek and Lucas couldn't be more different, but they both have a powerful hold on her heart. Even though Kylie is uncertain about everything, she starts to realize that Shadow Falls is exactly where she belongs... Don't miss this spectacular, New York Times bestselling, young adult paranormal romance series from C. C. Hunter! Born at Midnight will steal your heart and haunt your dreams.

Sixteen-year-old Kylie Galen thinks her misbehavior in the wake of her grandmother's death and her parents' separation are the reasons she has been sent to Shadow Falls Camp, but learns it is a training ground for vampires, werewolves, and other "freaky freaks," of which she may be one.

"Kylie's journey of self-discovery and friendship is so full of honesty, it's impossible not to fall in love with her and Shadow Falls...and with two sexy males vying for her attention, the romance is scorching. This book has me begging for more, and I love, love, love it!" -Verb Vixen Now available together for the first time, don't miss books one and two in C. C. Hunter's spectacular Shadow Falls series! One night Kylie Galen finds herself at the wrong party, with the wrong people, and it changes her life forever. Her mother ships her off to Shadow Falls—a camp for troubled teens, but it soon becomes clear that the kids at Shadow Falls are far from ordinary. They're supernatural—learning to harness their powers, control their magic and live in the normal world. Kylie's never felt normal, but surely she doesn't belong here with a bunch of paranormal freaks either. Or does she? They insist Kylie is one of them, and that she was brought here for a reason...if she can only figure out why, and what her burgeoning powers mean. As if life wasn't complicated enough, enter Derek and Lucas. Derek's a half Fae who's determined to be her boyfriend, and Lucas is a smokin' hot werewolf with whom Kylie shares a secret past. Both Derek and Lucas couldn't be more different, but they both have a powerful hold on her heart. As Kylie struggles to make sense of her feelings and her new abilities, the dark side of the supernatural world emerges and makes life a whole lot harder. An evil enemy lurking in the shadows is about to threaten everything she holds dear...and bring her closer to her destiny.

Step into the world of Shadow Falls, a camp that helps teens tap into their special...talents. Once you visit, you'll never forget it—and you'll never, ever be the same. From the moment Kylie Galen arrived at Shadow Falls Camp, she's had one burning question: What am I? Surrounded by vampires, werewolves, shape-shifters, fairies and witches, Kylie longs to figure out her own supernatural identity...and what her burgeoning powers mean. And now she'll need them more than ever, because she's being haunted by a new spirit who insists that someone Kylie knows—and loves—will die before the end of the summer. If only she only knew who she was supposed to save. And how... But giving Kylie the most trouble is her aching heart. Gorgeous werewolf Lucas left camp with another girl, but he's still visiting Kylie in her dreams. And Derek, a sexy half Fae who's always been there for her when she needed him, is pushing to get more serious—and growing impatient, especially when Lucas returns. Kylie knows she needs to decide between the boys, and it's tearing her up inside. Yet romance will have to wait, because something from the dark side of the supernatural world is hiding in Shadow Falls. It's about to threaten everything she holds dear...and bring her closer to her destiny. Awake at Dawn is the second installment in C.C. Hunter's young adult fantasy series.

Now in paperback--the first volume in a mesmerizing new trilogy which introduces a group of teens, who call themselves Midnighters, living in a world that is frozen in time and inhabited by dark creatures that lurk in the shadows.

Winner of the Booker prize and twice winner of the Booker of Bookers, *Midnight's Children* is "one of the most important books to come out of the English-speaking world in this generation" (New York Review of Books). Reissued for the 40th anniversary of the original publication--with a new introduction from the author--Salman Rushdie's widely acclaimed novel is a masterpiece in literature. Saleem Sinai is born at the stroke of midnight on August 15, 1947, the very moment of India's independence. Greeted by fireworks displays, cheering crowds, and Prime Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India's 1,000 other "midnight's children," all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people—a brilliant incarnation of the universal human comedy. *Midnight's Children* stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.

In the third installment of the Shadow Falls series, Kylie Galen believes that if she can just discover what she is, all the other uncertainties in her life will suddenly make sense, but in a camp for teens with paranormal abilities, there's not much that makes sense. Original.

American Howard W. Campbell, Jr., a spy during World War II, is now on trial in Israel as a Nazi war criminal. But is he really guilty? In this brilliant book rife with true gallows humor, Vonnegut turns black and white into a chilling shade of gray with a verdict that will haunt us all. Will you press into heaven at the expense of earth? It has been said that revivals are born after midnight. This is not because midnight is a magic hour—it isn't—but because anyone truly desiring renewal doesn't tire at seeking it. Born After Midnight stirs us toward renewal. Be it in the realm of money, worship, worry, or prayer, A. W. Tozer applies God's high wisdom to our everyday living to show how sin is bitter and Christ is sweet, helping us crave heaven and lose our taste for the world. If you will take God for who He says He is, trust His promises as true, and forsake the world in clutching for heaven, it will cost you everything. But it will give you eternity. Born After Midnight invites you to seek what cannot be lost.
