The Politics Of Everyday Europe

The European Union (EU), as a new governance form, faces a particularly acute set of challenges in naturalizing itself. However, a slow transformation in the symbols and practices of everyday life has made the EU a "taken-for-granted" political authority and generated a particular type of common European identity.

Politics of Everyday Europe: Constructing Authority in the ...

The Politics of Everyday Europe is a path-breaking analysis of how the European Union has created an imagined community of Europeans. In this superb book, McNamara deftly shows how the EU has consolidated Europe and its own authority by creating shared symbols and practices for everyday life.

30+ The Politics Of Everyday Europe Constructing Authority ...

"The Politics of Everyday Europe situates European integration within a broader history of comparative political development, convincingly showing why "Europe" is a part of our everyday reality--for better and for worse--and the consequences for the future of the EU. McNamara's contribution to the sociology of Europe is immense, and challenges our thinking about state transformations and political legitimation in twenty-first century governance."

An important new contribution to debates about the EU's power and legitimacy; Innovative theoretical approach to the social and cultural foundations of governance; Lively account of dynamics across all the major issue areas of the EU

The Politics of Everyday Europe - Paperback - Kathleen R ...

The ephemeral introduces a conception of temporality that foregrounds the political significance of fleeting practices and the emergent nature of life. When applied to politics, this conception of the everyday performs politics as emergent, as possibilities that are not already defined by fixing what politics can possibly be.

Gavan Titley and Alana Lentin. Council of Europe, 2008. ISBN 978-92-871-6171-0. It is this apparent acceptance of diversity as a fact and value that this book sets out to examine, in a range of ways, it offers a countervailing assessment of 'diversity; seeing it less as a unifying social imaginary and more as a cost-free form of politics attuned to the needs of late capitalist, consumer societies.
