The War Nurses A Moving

The War Nurses is a fictionalised account of the work of these two exceptional women during the first world war. The novel is well researched, gritty and moving - but not saccharine in the way that the cover might suggest.

World War 1 Letters to Loved Ones From Nurses To Widows

First World War British ambulance trains could carry around 500 injured servicemen, along with 50 crew members including orderlies, nurses and medical officers. 7 July 1916, during the Battle of the Somme, was the busiest day of ambulance train traffic during the war. By 1918, British railway companies had built 51 ambulance trains.
