The first *Taming Worry Dragons* manual was published in 1995, and the program is now used in schools and mental health programs for children throughout BC and across Canada and the US. A number of manuals have been developed since this time, and have expanded to include manuals for teens, school professionals, and health professionals.

Taming Worry Dragons | Kelty Mental Health

This 186-page workbook is a fantastic resource containing many exercises and activities designed to help teens think about the patterns of their anxiety and the circumstances around it. This is followed by a lot of practical advice on how to change their habits and boost their self-esteem. [Click here to view/download](#)
