For the first time, middle readers can learn the complete story of the courageous girl whose life, which ended through the effects of war, inspired a worldwide call for peace. In this book, author Sue DiCicco and Sadako's older brother Masahiro tell her complete story in English for the first time—how Sadako's courage throughout her illness inspired family and friends, and how she became a symbol of all people, especially children, who suffer from the impact of war. Her life and her death carry a message: we must have a wholehearted desire for peace and be willing to work together to achieve it. Sadako Sasaki was two years old when the atomic bomb was dropped on her city of Hiroshima at the end of World War II. Ten years later, just as life was starting to feel almost normal again, this athletic and enthusiastic girl was fighting a war of a different kind. One of many children affected by the bomb, she had contracted leukemia. Patient and determined, Sadako set herself the task of folding 1000 paper cranes in the hope that her wish to be made well again would be granted. Illustrations and personal family photos give a glimpse into Sadako's life and the horrors of war. Proceeds from this book are shared equally between The Sadako Legacy NPO and The Peace Crane Project.

Nobel Prize winner Yasunari Kawabata ' s Thousand Cranes is a luminous story of desire, regret, and the almost sensual nostalgia that binds the living to the dead. While attending a traditional tea ceremony in the aftermath of his parents ' deaths, Kikuji encounters his father ' s former mistress, Mrs. Ota. At first Kikuji is appalled by her indelicate nature, but it is not long before he succumbs to passion—a passion with tragic and unforeseen consequences, not just for the two lovers, but also for Mrs. Ota ' s daughter, to whom Kikuji ' s attachments soon extend. Death, jealousy, and attraction convene around the delicate art of the tea ceremony, where every gesture is imbued with profound meaning.

In a riveting narrative set in fifteenth-century Korea, two brothers discover a shared passion for kites. Kee-sup can craft a kite unequalled in strength and beauty, but his younger brother, Young-sup, can fly a kite as if he controlled the wind itself. Their combined skills attract the notice of Korea's young king, who chooses Young-sup to fly the royal kite in the New Year kite-flying competition--an honor that is also an awesome responsibility. Although tradition decrees, and the boys' father insists, that the older brother represent the family, both brothers know that this time the family's honor is best left in Young-sup's hands. This touching and suspenseful story, filled with the authentic detail and flavor of traditional Korean kite fighting, brings a remarkable setting vividly to life. AUTHOR'S NOTE.

Hiroshima is the story of six people--a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest--who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize-winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

This beautifully illustrated children ' s book offers a sobering lesson about the horrors of war through the lens of a Japanese zoo during WWII. At Tokyo ' s famous Ueno Zoo, a zookeeper recounts the story of three performing elephants—John, Tonky, and Wanly—who became casualties of the Second World War. As bombs fell nightly on the city, the zoo was in danger of destruction. In the interest of public safety, instructions were given to kill the potentially dangerous animals. Still, the elephant ' s keepers wept and prayed that the war would end so that their beloved elephants might be saved. Originally published in Japan in 1951, this heartbreaking historical tale is now available in English with beautiful watercolor illustrations by Ted Lewin.
