The series is correlated and aligned to the Common Core State Standards.

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie The Hunt. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles--one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale "has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill" (The Telegraph). "[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted." --Criterion

Guide to College Reading focuses on the key areas of reading comprehension, vocabulary improvement, and textbook reading. Critical thinking and metacognition are hallmarks of the McWhorter series. Critical thinking is incorporated throughout the book in instruction, exercises, and readings. Metacognitive activities include teaching readers how to evaluate their own learning styles to increase their ability to read college-level material successfully. Exercises that ask readers to respond by writing sentences and paragraphs after reading help make the critical connection between these two activities. umerous diagrams and drawings help readers visualize how reading material can be organized. High-interest photographs and artwork appeal to the visual learner. Chapter-ending readings give immediate practice for chapter skills and aid in transferring these skills to actual reading situations. Learning Style Tips reinforce material introduced earlier throughout the book and teach readers how to apply knowledge of their individual learning styles to learn new skills. For those interested in developing their reading skills at the 6th-9th grade level.

PDF eBook Reading Level 6.0-7.0 Ignite the interest of your reluctant reader and rekindle the enthusiasm of your accomplished one with these high-interest reading comprehension eBooks with STUDENT ACTIVITY LESSONS. Each book includes 10 original, exciting and informative short stories that cover a broad range of topics such as Tales of Adventure, Science, Biographies, Tales of Fantasy, and Interpersonal Relationships. Each book has 128 pages and 100 pages (or more) of reproducible content to help students review and reinforce essential skills in reading comprehension. The series is correlated and aligned to the Common Core State Standards.

Cy Yancey dreamt of being a big game hunter adventuring in Africa. Little did he know that stepping into an alleyway outside his rifle club would lead him to the most important hunt in his life, a hunt that would take Cy much farther than Africa, a hunt through the worlds of the Dimensions, seeking, of all things, Earth! For Yancey, in trying to grab a cab, ends up hitching a ride with Porteurs Zelda and Jorine - escapees from the power of the mysterious Contessa. Fleeing with them, Yancey is bounced from one Dimension to another until he arrives on Jundagai, planet of the Hunters. On Jundagai lies the answer to Yancey's dreams. The Hunt reigns supreme, though often one is not sure what the quarry is. But Jundagai holds still a greater attraction. Jundagai, Yancey's prison, holds the key to home. Yancey has only to find the right lock before death finds him.
