The Universe – Universe  
Today

"The Future" was a fittingly  
emotional end for Steven

Universe and left its title  
character in a healthy  
place. The thing fans want to  
know is if the series is  
over for good, or could it  
be revived again in the  
years ahead.

---

Is Steven Universe Over For  
Good? Franchise Future  
Explained

What is the universe? The  
universe contains everything  
that exists including the  
Earth, planets, stars,  
space, and galaxies. This  
includes all matter, energy,

# Download File PDF What In The Universe Over 300

and even time. How big is the universe? No one knows for sure just how big the universe is. It could be infinitely large.

Scientists, however, measure the size of the universe by what they can see.
