The ghost of Sherlock Holmes is dead, but who will solve his murder? The Great Detective's ghost has walked London's streets for an age, given shape by people's memories. Now someone's put a ceremonial dagger through his chest. But what's the motive? And who - or what - could kill a ghost? When policing London's supernatural underworld, eliminating the impossible is not an option. DI James Quill and his detectives have learnt this the hard way. Gifted with the Sight, they'll pursue a criminal genius - who'll lure them into a Sherlockian maze of clues and evidence. The team also have their own demons to fight. They've been to Hell and back (literally) but now the unit is falling apart . . . Paul Cornell's *Who Killed Sherlock Holmes?* is the third book in the urban gothic *Shadow Police* series.

Summer in London: a city in turmoil. The vicious murder of a well-known MP is like a match to tinder but Detective Inspector James Quill and his team know that it's not a run-of-the-mill homicide. Still coming to terms with their new-found second sight, they soon discover that what is invisible to others - the killer - is visible to them. Even if they have no idea who it is. Then there are more deaths. The bodies of rich, white men are found in circumstances similar to those that set the streets of London awash with fear during the late 1800s: the Whitechapel murders. Even with their abilities to see the supernatural, accepting that Jack the Ripper is back from the dead is a tough ask for Quill's team. As they try to get to grips with their abilities and a case that's spiralling out of control, Quill realizes that they have to understand more about this shadowy London, a world of underground meetings, bizarre and fantastical auctions, and objects that are 'get out of hell free' cards. But the team's unlikely guide, a bestselling author, can't offer them much insight - and their other option, the Rat King, speaks only in riddles. Relying on old-fashioned police work and improvising with their new skills only lands them in deeper water, and they soon realize that the investigation is going to hell - literally. And if they're not careful, they may be going with it . . . *The Severed Streets* is the second urban fantasy by bestselling Doctor Who writer, Paul Cornell.

A carefully researched vintage-style reimagining of the case of Jack the Ripper pits the nineteenth-century serial killer against Sherlock Holmes, who endeavors to identify and outmaneuver his adversary against a backdrop of their time and without modern technology.

Read PDF Who Killed Sherlock Holmes Shadow Police Book 3

While investigating the mysterious death of a mobster, four police officers come in contact with a strange artifact that grants them the supernatural ability to see the true otherworldly evils that haunt London's streets.

Mystery fiction. Now, in their newest and most thrilling adventure, the couple is separated by a shocking circumstance in a perilous part of the world, each racing against time to prevent an explosive catastrophe that could clothe them both in shrouds. In a strange room in Morocco, Mary Russell is trying to solve a pressing mystery: "Who am I?" She has awakened with shadows in her mind, blood on her hands, and soldiers pounding on the door. Out in the hivelike streets, she discovers herself strangely adept in the skills of the underworld, escaping through alleys and rooftops, picking pockets and locks. She is clothed like a man, and armed only with her wits and a scrap of paper containing a mysterious Arabic phrase. Overhead, warplanes pass ominously north. Meanwhile, Holmes is pulled by two old friends and a distant relation into the growing war between France, Spain, and the Rif Revolt led by Emir Abd el-Krim--who may be a Robin Hood or a power mad tribesman. The shadows of war are drawing over the ancient city of Fez, and Holmes badly wants the wisdom and courage of his wife, whom he's learned, to his horror, has gone missing. As Holmes searches for her, and Russell searches for her "self," each tries to crack deadly parallel puzzles before it's too late for them, for Africa, and for the peace of Europe. With the dazzling mix of period detail and contemporary pace that is her hallmark, Laurie R. King continues the stunningly suspenseful series that Lee Child called "the most sustained feat of imagination in mystery fiction today."

For the first time in its one-hundred-and-twenty-five-year history, the Arthur Conan Doyle Estate has authorized a new Sherlock Holmes novel. Once again, THE GAME'S AFOOT... London, 1890. 221B Baker St. A fine art dealer named Edmund Carstairs visits Sherlock Holmes and Dr John Watson to beg for their help. He is being menaced by a strange man in a flat cap - a wanted criminal who seems to have followed him all the way from America. In the days that follow, his home is robbed, his family is threatened. And then the first murder takes place. Almost unwillingly, Holmes and Watson find themselves being drawn ever deeper into an international conspiracy connected to the teeming criminal underworld of Boston, the gaslit streets of London, opium dens and much, much more. And as they dig, they begin to hear the whispered phrase-the House of Silk-a mysterious entity that connects the highest levels of government to the deepest depths of criminality. Holmes begins to fear that he has uncovered a conspiracy that threatens to tear apart the very fabric of society. The Arthur Conan Doyle Estate chose the celebrated, #1 New York Times bestselling author Anthony Horowitz to write The House of Silk because of his proven

Read PDF Who Killed Sherlock Holmes Shadow Police Book 3

ability to tell a transfixing story and for his passion for all things Holmes. Destined to become an instant classic, *The House of Silk* brings Sherlock Holmes back with all the nuance, pacing, and almost superhuman powers of analysis and deduction that made him the world's greatest detective, in a case depicting events too shocking, too monstrous to ever appear in print...until now.

It is the autumn of 1880, and Dr John Watson has just returned from Afghanistan. Badly injured and desperate to forget a nightmarish expedition that left him doubting his sanity, Watson is close to destitution when he meets the extraordinary Sherlock Holmes, who is investigating a series of deaths in the Shadwell district of London. Several bodies have been found, the victims appearing to have starved to death over the course of several weeks, and yet they were reported alive and well mere days before. Moreover, there are disturbing reports of creeping shadows that inspire dread in any who stray too close. Holmes deduces a connection between the deaths and a sinister drug lord who is seeking to expand his criminal empire. Yet both he and Watson are soon forced to accept that there are forces at work far more powerful than they could ever have imagined. Forces that can be summoned, if one is brave - or mad - enough to dare..

Postbellum America makes for a haunting backdrop in this historical and supernatural tale of moonlit cemeteries, masked balls, cunning mediums, and terrifying secrets waiting to be unearthed by an intrepid crime reporter. Edward Clark is a successful young crime reporter in comfortable circumstances with a lovely, well-connected fiancée. Then an assignment to write a series of exposés on the city's mediums places all that in jeopardy. In the Philadelphia of 1869, photographs of Civil War dead adorn dim sitting rooms, and grieving families attempt to contact their lost loved ones. Edward's investigation of the beautiful young medium Lucy Collins has unintended consequences, however. He uncovers her tricks, but realizes to his dismay that Lucy is more talented at blackmail than she is at a medium's sleights of hand. And since Edward has a hidden past, he reluctantly agrees that they should collaborate in exposing only her rivals. The mysterious murder of noted medium Lenora Grimes Pastor as Lucy and Edward attend her séance results in a plum story for Edward—and a great deal more. The pair want to clear themselves from suspicion, but a search spanning the houses of the wealthy to the underside of nineteenth-century Philadelphia unearths a buzzing beehive of past murder, current danger, and supernatural occurrences that cannot be explained..

A brand-new Sherlock Holmes mystery from acclaimed Sherlockian author David Stuart Davies, featuring the sinister Dr Caligari Sherlock Holmes has just uncovered the truth about the theft of a priceless ruby. The wealthy Lady Damury staged the theft and tried to frame her husband - but just as Holmes reveals the

Read PDF Who Killed Sherlock Holmes Shadow Police Book 3

truth, Lady Damury is found murdered. Holmes deduces that this is no crime of passion, but the work of a ruthless killer with no connection to the jewel. With reports of a man in a strange, trance-like state, Holmes finds himself entangled in a dangerous game of cat and mouse with the sinister Dr Caligari...

Master detective Sherlock Holmes enters the macabre and nightmarish world of H. P. Lovecraft to solve a series of bizarre cases in a collection of short fiction by twenty leading authors, including Neil Gaiman, Steve Perry, Brian Stableford, Poppy Z. Brite, Barbara Hambly, and Caitlin Kiernan, among others. Reprint. 12,500 first printing.
