This document is a response to teachers' requests for practical assistance in implementing California's history-social science framework. The document offers stimulating ideas to enrich the teaching of history and social science, enliven instruction for every student, focus on essential topics, and help make learning more memorable. Experiences and contributions of ethnic groups and women in history are integrated in this course model. The

framework is divided into 11 units: (1) Connecting with Past Learnings: Uncovering the Remote Past; (2) Connecting with Past Learnings: the Fall of Rome; (3) Growth of Islam; (4) African States in the Middle Ages and Early Modern Times; (5) Civilizations of the Americas; (6) China; (7) Japan; (8) Medieval Societies: Europe and Japan; (9) Europe During the Renaissance, the Reformation, and the Scientific Revolution; (10) Early Modern Europe: The Age of Exploration to the Enlightenment; and (11) Linking Past to Present. Six of the 11 units delineated in the framework's 7th grade course description are developed in these course models. All units follow the same format. Each begins with a rationale and overview. Ways are suggested for teachers to coordinate the model with the state-adopted textbook for 7th grade. A presentation of activities to introduce and continue the sample

topic are suggested to encourage students to apply what they have studied through projects. Each unit ends with an extensive annotated list of sample resources. (DK)

Glencoe World History, a comprehensive course that covers prehistory to the present day, helps link the events of the past with the issues that confront students today. It motivates and engages students in meaningful learning as they develop an understanding of the world's cultures and an appreciation for the interdependence of world regions. Features Respected Authorship □ Written by an unparalleled author team that includes the world-renowned National Geographic Society, this program is characterized by a consistently riveting narrative flow. □ Special features contributed by the National Geographic engage every student and encourage even

more reading. □ The National Geographic Society created the map program for Glencoe World History. Clear, concise, and accurate, the maps make the connection between geography and history.

Reading Support □ Glencoe World History contains more reading support than any other World History program. Glencoe authors, editors, and reading specialists have created a unique content reading strategy that includes Prior Knowledge Activators and Graphic Organizers in every lesson and In-Text Reading Checks to monitor students' ongoing comprehension. □ New! Reading Essentials and Study Guide contains the entire text rewritten at a lower reading level. Combined with the World History Audio Program, the guide is a powerful reading tool for reluctant readers.

This resource book is designed to assist teachers in implementing

California's history-social science framework at the 10th grade level. The models support implementation at the local level and may be used to plan topics and select resources for professional development and preservice education. This document provides a link between the framework's course descriptions and teachers' lesson plans by suggesting substantive resources and instructional strategies to be used in conjunction with textbooks and supplementary materials. The resource book is divided into eight units: (1) "Unresolved Problems of the Modern World"; (2) "Connecting with Past Learnings: The Rise of Democratic Ideas"; (3) "The Industrial Revolution"; (4) "The Rise of Imperialism and Colonialism: A Case Study of India"; (5) "World War I and Its Consequences"; (6) "Totalitarianism in the Modern World: Nazi Germany and Stalinist Russia"; (7) "World War II: Its Causes and
